OLD BUSINESS: The Director announced that the town of Milford has disbursed \$75,000 towards the construction of a fitness room in the Bleakney Senior Center. There were many questions about contractors and materials to be used but the most important thing is that the money has been given.

NEW BUSINESS: The Director had a couple of questions for the Council. The first had to do with realtors and how much credence should be given to their claims to help seniors who are downsizing their houses. One reply was given to trust the advice of the Town's lawyers. Another question was whether we could put offering boxes at different spots throughout the building. The prevailing thought was NO, that the seniors who attend the Center might construe this as a constant attack on their pockets or pocketbooks.
