

Article 08 Parks Department Tractor

1. This new tractor mower will address the need to replace an existing gas powered 12-year-old mower with a new diesel powered commercial mower with associated attachments that will improve efficiency and improvement in labor as well as an upgrade to facility maintenance
2. The existing 12-year-old gas powered tractor mower is in dire need of replacement. The mower had definitely served us well.
3. The proposed solution is to purchase a new and more efficient diesel commercial tractor mower that features a 60" cut, grass collection system and other associated and beneficial attachments. Some of the attachments include:
 - A. Front mounted leaf blower attachment. This attachment will provide great benefit on the bike trail and in parks and school grounds. For example, one of the biggest issues, especially in the fall, is the great amount of leaves and other debris on the bike trail. At present, we send employees out with back pack blowers to clean the trail. This is very time consuming and inefficient. The new mower with the attachment will allow us to send the unit on the trail and quickly and efficiently clear the trail to provide a safer surface for users.
 - B. Leaf plow attachment will provide greater efficiency in labor in the annual leaf pick up of parks and school grounds
 - C. Dethatcher attachment will provide beneficial maintenance to athletic facilities
 - D. Aerator attachment will also provide benefits in maintaining and improving athletic fields
4. The status of the existing 12-year-old tractor mower is that it is in need of replacement. Much of the machine has been rehabbed or repaired and it now longer provides us the service that we need.
5. We looked at several different models of tractor/mowers and decided on the Hustler 60" Diesel Z with attachments. We believe that is model with selected attachments will serve us well for many years.

SUPER Z[®]

A COMBO OF RELIABILITY AND PRODUCTIVITY
THAT CAN ONLY BE CALLED SUPER.

WARRANTY

THE SUPER Z[®] HAS THE BEST WARRANTY IN ITS CLASS IN THE INDUSTRY.

Hustler[®] mowers are built to the highest of standards, but our unmatched warranties provide extra peace of mind. See your local Hustler[®] dealer for complete details.
