

## How to prepare trash and recycling for collection

### Milford Board of Health

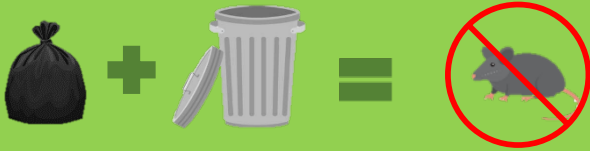

1

#### **NO mattresses.**

All mattresses and box springs must be taken to the Transfer Station at 95 Cedar St, Milford MA to be recycled. \$20 per mattress or box spring. No sticker required.

2

#### **Bag *and* Bin your trash.**

It is mandatory that all trash be bagged and placed in a barrel with a tight-fitting lid. This helps prevent rats and other animals from tearing into your items.

3

#### **NO yard waste or construction materials.**

Yard waste can be disposed of at the Compost Facility located on Fiske Mill Road, Milford, MA. Sticker required. Questions? Call the Transfer Facility 508-478-8093 or 774-737-3117.

4

#### **DO NOT bag your recycling items in plastic bags.**

All items must be clean and empty.

Cardboard must be broken down 2 feet x 2 feet maximum per piece.

5

#### **One (1) combustibles bulk item allowed per week.**

Example: wood chair, cloth armchair.

Metal items require a sticker. Available for purchase at the Board of Health.

Get your copy of the Town of Milford "Guide to proper disposal of solid waste and recyclables" booklet. Booklet available online. Check for updates on the [Health Department](#) page of Milfordma.gov or pick up a copy at the Board of Health in Town Hall.
