

**Regulation of the Town of Milford
Board of Health Restricting the Sale of
Tobacco Products
And the Sale and Use of Nicotine Delivery Products**

A. Statement of Purpose:

Whereas there exists conclusive evidence that tobacco smoking causes cancer, respiratory and cardiac diseases, negative birth outcomes, irritations to the eyes, nose and throat¹;

Whereas among the 15.7% of students nationwide who currently smoke cigarettes and were less than 18 years old, 14.1% usually obtained them by buying them in a store (i.e. convenience store, supermarket, or discount store) or gas station²;

Whereas nationally in 2009, 72% of high school smokers and 66% of middle school smokers were not asked to show proof of age when purchasing cigarettes³; and

Whereas the U.S. Department of Health and Human Services has concluded that nicotine is as addictive as cocaine or heroin⁴; and the Surgeon General has found that nicotine exposure during adolescence, a critical window for brain development, may have lasting adverse consequences for brain development;⁵ and

WHEREAS, despite state laws prohibiting the sale of tobacco products to minors, access by minors to tobacco products is a major public health problem; and

WHEREAS, research has shown that raising the minimum legal drinking age to 21 has reduced alcohol consumption among youth and has protected drinkers from long-term negative outcomes in adulthood, including alcohol and other drug dependence;⁶ and

WHEREAS, more than 80 percent of all adult smokers begin smoking before the age of 18, and more than 90 percent do so before leaving their teens;⁷ and

WHEREAS, many non-cigarette tobacco products, such as cigars and cigarillos, can be sold in a single "dose;" enjoy a relatively low tax as compared to cigarettes; are available in fruit, candy and alcohol flavors; and are popular among youth;⁸ and

WHEREAS, sales of flavored little cigars increased by 23% between 2008 and 2010;⁹ and the top three most popular cigar brands among African-American youth aged 12-17 are the flavored and low-cost Black & Mild, White Owl, and Swisher Sweets;¹⁰ and

WHEREAS, the federal Family Smoking Prevention and Tobacco Control Act (FSPTCA), enacted in 2009, prohibited candy- and fruit-flavored cigarettes,¹¹ largely because these flavored products were marketed to youth and young adults,¹² and younger smokers were more likely to have tried these products than older smokers;¹³ and

WHEREAS, although the manufacture and distribution of flavored cigarettes (excluding menthol) is banned by federal law,¹⁴ neither federal nor Massachusetts laws restrict sales of flavored non-cigarette tobacco products, such as cigars, cigarillos, smokeless tobacco, hookah tobacco, and electronic devices and the nicotine solutions used in these devices; and

14 21 U.S.C. § 387g

WHEREAS, the U.S. Food and Drug Administration and the U.S. Surgeon General have stated that flavored tobacco products are considered to be “starter” products that help establish smoking habits that can lead to long-term addiction;¹⁵ and

WHEREAS, data from the National Youth Tobacco Survey indicate that more than two-fifths of U.S. middle and high school smokers report using flavored little cigars or flavored cigarettes;¹⁶ and

WHEREAS, the U.S. Centers for Disease Control and Prevention has reported that electronic cigarette use among middle and high school students doubled from 2011 to 2012;¹⁷ and

WHEREAS, nicotine solutions, which are consumed via electronic or battery-operated delivery smoking devices such as electronic cigarettes, are sold in dozens of flavors that appeal to youth, such as cotton candy and bubble gum;¹⁸ and

WHEREAS, in a lab analysis conducted by the FDA, electronic cigarette cartridges that were labeled as containing no nicotine actually had low levels of nicotine present in all cartridges tested, except for one;¹⁹ and

WHEREAS, according to the CDC’s youth risk behavior surveillance system, the percentage of high school students in Massachusetts who reported the use of cigars within the past 30 days went from 11.8% in 2003 to 14.3% in 2011;²⁰ and

WHEREAS, survey results show that more youth report that they have smoked a cigar product when it is mentioned by name, than report that they smoked a cigar in general, indicating that cigar use among youth is underreported;²¹ and

WHEREAS, in Massachusetts, youth use of all other tobacco products, including cigars, rose from 13.3% in 2003 to 17.6% in 2009, and was higher than the rate of current cigarette use (16%) for the first time in history;²² and

WHEREAS, research shows that increased cigar prices significantly decreased the probability of male adolescent cigar use and a 10% increase in cigar prices would reduce use by 3.4%;²³ and

WHEREAS, nicotine levels in cigars are generally much higher than nicotine levels in cigarettes;²⁴ and

WHEREAS Non-Residential Roll-Your-Own (RYO) machines located in retail stores enable retailers to sell cigarettes without paying the excise taxes that are imposed on conventionally manufactured cigarettes. High excise taxes encourage adult smokers to quit⁵ and high prices deter youth from starting.⁶ Inexpensive cigarettes, like those produced from RYO machines, promote the use of tobacco, resulting in a negative impact on public health and increased health care costs, and severely undercut the evidence-based public health benefit of imposing high excise taxes on tobacco;

WHEREAS it is estimated that 90% of what is being sold as pipe tobacco is actually being used in Non-Residential RYO machines. Pipe tobacco shipments went from 11.5 million pounds in 2009 to 22.4 million pounds in 2010. Traditional RYO tobacco shipments dropped from 11.2 million pounds to 5.8 million pounds; and cigarette shipments dropped from

308.6 billion sticks to 292.7 billion sticks according to the December 2010 statistical report released by the U.S. Department of the Treasury, Alcohol and Tobacco Tax and Trade Bureau (TTB) ⁷;

Whereas educational institutions sell tobacco products to a younger population, who is particularly at risk for becoming smokers and such sale of tobacco products and nicotine delivery products are incompatible with the mission of educational institutions that educate a younger population about social, environmental and health risks and harms; and

WHEREAS, the Massachusetts Supreme Judicial Court has held that “ . . . [t]he right to engage in business must yield to the paramount right of government to protect the public health by any rational means;”²⁸

Now, therefore it is the intention of the Town of Milford to regulate the sale of tobacco products and nicotine delivery products.

B. Authority:

This regulation is promulgated pursuant to the authority granted to the Milford Board of Health by Massachusetts General Laws Chapter 111, Section 31 that "Boards of Health may make reasonable health regulations".

C. Definitions:

For the purpose of this regulation, the following words shall have the following meanings:

Blunt Wrap: Any tobacco product manufactured or packaged as a wrap or as a hollow tube made wholly or in part from tobacco that is designed or intended to be filled by the consumer with loose tobacco or other fillers.

Business Agent: An individual who has been designated by the owner or operator of any establishment to be the manager or otherwise in charge of said establishment.

Cigar: Any roll of tobacco that is wrapped in leaf tobacco or in any substance containing tobacco with or without a tip or mouthpiece not otherwise defined as a cigarette under Massachusetts General Law, Chapter 64C, Section 1, Paragraph 1.

E-Cigarette: Any electronic nicotine delivery product composed of a mouthpiece, heating element, battery and/or electronic circuits that provides a vapor of liquid nicotine to the user, or relies on vaporization of solid nicotine or any liquid. This term shall include such devices whether they are manufactured as e-cigarettes, e-cigars, e-pipes or under any other product name.

Educational Institution: Any public or private college, school, professional school, scientific or technical institution, university or other institution furnishing a program of higher education.

Employee: Any individual who performs services for an employer.

Employer: Any individual, partnership, association, corporation, trust or other organized group of individuals that uses the services of one (1) or more employees.

Minimum Legal Sales Age (MLSA): The age an individual must be before that individual can be sold a tobacco product in the municipality.

Nicotine Delivery Product: Any manufactured article or product made wholly or in part of a tobacco substitute or containing nicotine that is expected or intended for human consumption, but not including a product approved by the United States Food and Drug Administration (FDA) for sale as a tobacco use cessation or harm reduction product or for other medical purposes and which is being marketed and sold solely for that approved purpose. Nicotine delivery products include, but are not limited to, e-cigarettes. Any FDA-approved nicotine product, including, but not limited to, nicotine gum and nicotine patch used for cessation purposes, are not subject to this regulation.

Non-Residential Roll-Your-Own (RYO) Machine: A mechanical device made available for use (including to an individual who produces cigars, cigarettes, smokeless tobacco, pipe tobacco, or roll-your-own tobacco solely for the individual's own personal consumption or use) that is capable of making cigarettes, cigars or other tobacco products. RYO machines located in private homes used for solely personal consumption are not Non-Residential RYO machines.

Permit Holder: Any person engaged in the sale or distribution of tobacco or nicotine delivery products directly to consumers who applies for and receives a tobacco and nicotine delivery product sales permit or any person who is required to apply for a Tobacco and Nicotine Delivery Product Sales Permit pursuant to these regulations, or his or her business agent.

Person: Any individual, firm, partnership, association, corporation, company or organization of any kind, including but not limited to, an owner, operator, manager, proprietor or person in charge of any establishment, business or retail store.

Retail Tobacco Store: An establishment that is not required to possess a retail food permit whose primary purpose is to sell or offer for sale, but not for resale, tobacco products and tobacco paraphernalia, in which the sale of other products is merely incidental, and in which the entry of persons under the minimum legal sales age is prohibited at all times, and maintains a valid permit for the retail sale of tobacco products as required to be issued by the Milford Board of Health.

Self-Service Display: Any display from which customers may select a tobacco product or a nicotine delivery product without assistance from an employee or store personnel.

Schools: Public or private elementary or secondary schools.

Smoking bar: An establishment that occupies exclusively an enclosed indoor space and that primarily is engaged in the retail sale of tobacco products for consumption by customers on the premises; which may or may not derive revenue from the sale of food, alcohol or other beverages that is incidental to the sale of the tobacco products; which must prohibit entry to a person under the age of 21 years of age during the time when the establishment is open for business; which may or may not prohibit any food or beverage not sold directly by the business to be consumed on the premises; which may or may not maintain a valid permit for the retail sale of tobacco products as required to be issued by the Town of Milford "Smoking bar" shall include, but not be limited to, those establishments that are commonly known as "cigar bars", "wasterpipe bars", "hookah bars", "vape bars" and any other establishments that are similar to these mentioned establishments.

Tobacco Product: Any product containing, made, or derived from tobacco or nicotine that is intended for human consumption, whether smoked, chewed, absorbed, dissolved, inhaled, snorted, sniffed, or ingested by any other means, including, but not limited to: cigarettes, cigars, little cigars, chewing tobacco, pipe tobacco, snuff, or electronic cigarettes, electronic cigars, electronic pipes, electronic hookah, or other similar products, regardless of nicotine content, that rely on vaporization or aerosolization. "Tobacco product" includes any component or part of a tobacco product. "Tobacco product" does not include any product that has been approved by the United States Food and Drug Administration either as a tobacco use cessation product or for other medical purposes and which is being marketed and sold or prescribed solely for the approved purpose.

Vending Machine: Any automated or mechanical self-service device, which upon insertion of money, tokens or any other form of payment, dispenses or makes cigarettes, any other tobacco product or nicotine delivery product.

D. Tobacco and Nicotine Delivery Product Sales to Minors Prohibited:

1. No person shall sell tobacco products or permit tobacco products, as defined herein, to be sold to a person under the minimum legal sales age; or not being the individual's parent or legal guardian, give tobacco products, as defined herein, to a person under the minimum legal sales age. The minimum legal sales age in the Town of Milford is twenty-one (21) years of age.

2. Required Signage

- a. In conformance with and in addition to Massachusetts General Law, Chapter 270, Section 7, a copy of Massachusetts General Laws, Chapter 270, Section 6, shall be posted conspicuously by the owner or other person in charge thereof in the shop or other place used to sell tobacco products at retail. The notice shall be provided by the Massachusetts Department of Public Health and made available from the Milford Board of Health. The notice shall be at least 48 square inches and shall be posted conspicuously by the permit holder in the retail establishment or other place in such a manner so that it may be readily seen by a person standing at or approaching the cash register. The notice shall directly face the purchaser and shall not be obstructed from view or placed at a height of less than 4 feet or greater than 9 feet from the floor. The owner or other person in charge of a shop or other place used to sell tobacco products at retail shall conspicuously post any additional signs required by the Massachusetts Department of Public Health
 - b. The owner or other person in charge of a shop or other place used to sell tobacco products, as defined herein, at retail shall conspicuously post a sign stating that "The sale of tobacco products, including e-cigarettes, to someone under the minimum legal sales age of 21 years is prohibited." The notice shall be no smaller than 8.5 inches by 11 inches and shall be posted conspicuously in the retail establishment or other place in such a manner so that they may be readily seen by a person standing at or approaching the cash register. The notice shall directly face the purchaser and shall not be obstructed from view or placed at a height of less than four (4) feet or greater than nine (9) feet from the floor.
3. Identification: Each person selling or distributing tobacco or nicotine delivery products shall verify the age of the purchaser by means of a valid government-issued photographic identification containing the bearer's date of birth that the purchaser is 21 years old or older. Verification is required for any person under the age of 27.
 4. All retail sales of tobacco or nicotine delivery products must be face-to-face between the seller and the buyer and occur at the permitted location.

E. Tobacco and Nicotine Delivery Product Sales Permit:

1. No person shall sell or otherwise distribute tobacco or nicotine delivery products at retail establishments within the Town of Milford without first obtaining a Tobacco and Nicotine Delivery Product Sales Permit issued

annually by the Milford Board of Health. Only owners of establishments with a permanent, non-mobile location in Milford are eligible to apply for a permit and sell tobacco products or nicotine delivery products at the specified location in Milford.

2. As part of the Tobacco and Nicotine Delivery Product Sales Permit application process, the applicant will be provided with the Milford Board of Health regulation. Each applicant is required to sign a statement declaring that the applicant has read said regulation and that the applicant is responsible for instructing any and all employees who will be responsible for tobacco and nicotine delivery product sales regarding federal, state and local laws regarding the sale of tobacco and this regulation.

3. Each applicant who sells tobacco is required to provide proof of a current tobacco sales license issued by the Massachusetts Department of Revenue before a Tobacco and Nicotine Delivery Product Sales Permit can be issued.

4. The fee for a Tobacco and Nicotine Delivery Product Sales Permit shall be determined by the Milford Board of Health annually.

5. A separate permit is required for each retail establishment selling tobacco and/or nicotine delivery products.

6. Each Tobacco and Nicotine Delivery Product Sales Permit shall be displayed at the retail establishment in a conspicuous place.

7. No Tobacco and Nicotine Delivery Product Sales Permit holder shall allow any employee to sell tobacco products or nicotine delivery products until such employee reads this regulation and federal and state laws regarding the sale of tobacco and signs a statement, a copy of which will be placed on file in the office of the employer, that he/she has read the regulation and applicable state and federal laws.

A Tobacco and Nicotine Delivery Product Sales Permit is non-transferable. A new owner of an establishment that sells tobacco or nicotine delivery products must apply for a new permit. No new permit will be issued unless and until all outstanding penalties incurred by the previous permit holder are satisfied in full.

8. Issuance of a Tobacco and Nicotine Delivery Product Sales Permit shall be conditioned on an applicant's consent to unannounced, periodic inspections of his/her retail establishment to ensure compliance with this regulation.

9. A Tobacco and Nicotine Delivery Product Sales Permit will not be renewed if the permit holder has failed to pay all fines issued and the time period to appeal the fines has expired and/or has not satisfied any outstanding permit suspensions.

F. Cigar Sales Regulated:

1. No retailer, retail establishment, or other individual or entity shall sell or distribute or cause to be sold or

distributed a cigar unless the cigar is contained in an original package of at least four (4) Cigars.

2. This Section shall not apply to:

- a. The sale or distribution of any cigar having a wholesale price of more than two dollars (\$2.00) or a retail price of more than two dollars and fifty cents (\$2.50); and
- b. A person or entity engaged in the business of selling or distributing cigars for commercial purposes to another person or entity engaged in the business of selling or distributing cigars for commercial purposes with the intent to sell or distribute outside the boundaries of the Town of Milford.
- c. The Milford Board of Health may adjust from time to time the amounts specified in this Section to reflect changes in the applicable Consumer Price Index by amendment of this regulation.

G. Prohibition of the Sale of Blunt Wraps:

No person or entity shall sell or distribute blunt wraps in the Town of Milford.

H. Free Distribution and Coupon Redemption:

No person shall distribute, or cause to be distributed, any free samples of tobacco products or nicotine delivery products. No means, instruments or devices that allow for the redemption of all tobacco products or nicotine delivery products for free or cigarettes at a price below the minimum retail price determined by the Massachusetts Department of Revenue shall be accepted by any permit holder.

I. Out-of-Package Sales:

The sale or distribution of tobacco products in any form other than an original factory-wrapped package is prohibited. No person may sell or cause to be sold or distribute or cause to be distributed any cigarette package that contains fewer than twenty (20) cigarettes, including single cigarettes.

J. Self-Service Displays:

All self-service displays of tobacco products and/or nicotine delivery products are prohibited. All humidors including, but not limited to, walk-in humidors must be locked.

K. Vending Machines:

All tobacco and/or nicotine delivery product vending machines are prohibited.

L. Non-Residential Roll-Your-Own Machines:

All Non-Residential Roll-Your-Own machines are prohibited.

M. Prohibition of the Sale of Tobacco and Nicotine Delivery Products by Educational Institutions:

No educational institution located in Milford shall sell or cause to be sold tobacco or nicotine delivery products. This includes all educational institutions as well as any retail establishments that operate on the property of an educational institution E-Cigarette Use

N. E-Cigarette Use:

The use of e-cigarettes are prohibited wherever smoking is prohibited per M.G.L. Ch. 270, §22 and the Town of Milford Environmental Tobacco Smoke (ETS) Workplace and Public Place regulation.

O. Violations:

a. It shall be the responsibility of the establishment, permit holder and/or his or her business agent to ensure compliance with all sections of this regulation pertaining to his or her distribution of tobacco and/or nicotine delivery products. The violator shall receive:

- i. In the case of a first violation, a fine of one hundred dollars (\$100.00).
 - ii. In the case of a second violation within thirty-six (36) months of the date of the current violation, a fine of two hundred dollars (\$200.00) and the Tobacco and Nicotine Delivery Product Sales Permit shall be suspended for seven (7) consecutive business days.
 - iii. In the case of three or more violations within a thirty-six (36) month period, a fine of three hundred dollars (\$300.00) and the Tobacco and Nicotine Delivery Product Sales Permit shall be suspended for thirty (30) consecutive business days.
- b. Refusal to cooperate with inspections pursuant to this regulation shall result in the suspension of the Tobacco and Nicotine Delivery Product Sales Permit for thirty (30) consecutive business days.
- c. In addition to the monetary fines set above, any permit holder who engages in the sale or distribution of tobacco or nicotine delivery products directly to a consumer while his or her permit is suspended shall be subject to the suspension of all Board of Health issued permits for thirty (30) consecutive business days.
- d. The Milford Board of Health shall provide notice of the intent to suspend a Tobacco and Nicotine Delivery Product Sales Permit, which notice shall contain the reasons therefor and establish a time and date for a hearing which date shall be no earlier than seven (7) days after the date of said notice. The permit holder or its business agent shall have an opportunity to be heard at such hearing and shall be notified of the Board of Health's decision and the reasons therefore in writing. After a hearing, the Milford Board of Health shall suspend the Tobacco and Nicotine Delivery Product Sales Permit if the Board of Health finds that a violation of this regulation occurred. For purposes of such suspensions, the Board shall make the determination notwithstanding any separate criminal or non-criminal proceedings brought in court hereunder or under the

Massachusetts General Laws for the same offense. All tobacco products and nicotine delivery products shall be removed from the retail establishment upon suspension of the Tobacco and Nicotine Delivery Product Sales Permit. Failure to remove all tobacco and nicotine delivery products shall constitute a separate violation of this regulation.

P. Non-Criminal Disposition:

Whoever violates any provision of this regulation may be penalized by the non-criminal method of disposition as provided in Massachusetts General Laws, Chapter 40, Section 21D or by filing a criminal complaint at the appropriate venue.

Each day any violation exists shall be deemed to be a separate offense.

Q. Enforcement:

Enforcement of this regulation shall be by the Milford Board of Health or its designated agent(s). Any resident who desires to register a complaint pursuant to the regulation may do so by contacting the Milford Board of Health or its designated agent(s) and the Board shall investigate.

R. Severability:

If any provision of these regulations is declared invalid or unenforceable, the other provisions shall not be affected thereby but shall continue in full force and effect.

S. Effective Date:

This regulation shall take effect on April 1, 2016.

Gerald F. Hennessy, Chairman

Leonard A. Izzo, Board Member

Kenneth C. Evans, Board Member

Signed on February 22, 2016
