 - i. We aren't sure if Celebrate Milford 2024 will be happening as it is possible that Town Park will be under construction at that time.
 - ii. Joclyn did attend a meeting in talking about different solutions as to where else it could be held, nothing concrete has been set - Joclyn will follow up to see when this decision will be made.

 - a. 2 libraries will be ordered for game pieces and one library will be ordered as a free little art gallery.
 - ii. Downtown Murals
 1. There is a zoom meeting set up for November 9th for the mural downtown
 2. We are waiting for the mural at Town Park as there are a few other projects in the wings for Jim Assam before we work on this.

 1. Social Media + Local Media went super well!
 2. Not too sure if we would do the Q&A event again at the Youth Center; there didn't seem to be much interest from the kids.
 3. The Library Q&A went well! It was raining, so it may have deterred some people from coming. It was really helpful to have people who are bilingual!
 - a. It was great to get super in depth with people, it would be better if more people from the council could attend!
 - iii. Grant Review Process
