Be it ordered and enacted by the Milford Planning Board pursuant to its authority to approve site plans after review, after consultation with the Milford Board of Health, on the basis of a special emergency involving the peace, health, safety, and convenience of the people of the Town of Milford given the current state of emergency in the Commonwealth of Massachusetts declared by Governor Charles D. Baker in response to the novel COVID 19 pandemic, as follows:

Any business establishment serving the general public that is otherwise in compliance with the Milford Zoning Bylaw, will not be required to receive amended site plan approval to provide interim outdoor seating for the duration of the Governor's re-opening provisions, provided however that any such interim outdoor seating shall not exceed 50% of the approved permanent indoor seating for each such establishment. This does not affect any approvals necessary from the Board of Health or from the Building Official.
