

In Memoriam

John A. Beccia
1941-2012

On April 27, 2012, John A. Beccia passed away after a long and courageous battle with cancer.

John served his community as a member of the Board of Selectmen for 12 years; he was a longtime Town Meeting member; a member of the Finance Committee; a member of the Milford Democratic Town Committee and a Trustee of the Milford Geriatric Authority.

John served on various other youth, civic, and service committees throughout his life.

Born and raised in Milford, no individual enjoyed helping people or talking to people than John. After his retirement, he visited Town Hall regularly, still interested in local events and always ready with a story of his children and grandchildren.

He served his community selflessly for many years and his ever present smile and good cheer will be missed. May he rest in peace.

In Memoriam

Domenic D'Alessandro
1919-2012

On October 1, 2012, Domenic D'Alessandro passed away after a life devoted to his country, his family and to his community.

Domenic served as a longtime Town Meeting member, a member of Finance Committee, a member of the Board of Selectmen and on various other committees and civic groups too many to mention.

Tall, soft spoken, and always a gentleman, Domenic spent his life helping people and providing comfort. Domenic's love of Milford was second only to his love for his family. His devotion to and pride in the love of his life, wife Helen; and his children and grandchildren was unwavering.

After his retirement, he was a regular visitor to Town Hall often stopping to reminisce about family, friends or current events.

His passing was a loss to our community but he will be always remembered for his kindness and love of the Town of Milford.

In Memoriam

Dr. Joseph E. Murray
1919-2012

In 1895, Alfred Nobel, in his last will and testament, set aside the largest share of his fortune to a series of prizes, the Nobel Prizes. As described in Nobel's will, one part was dedicated to "the person who should have made the most important discovery within the domain of physiology or medicine". Since 1901, 103 prizes have been awarded.

In the 233 years of our town's existence, one individual, Dr. Joseph E. Murray, has been awarded a Noble Prize. Dr. Murray, a 1936 graduate of Milford High School, who went on to Holy Cross and then received his medical degree at Harvard Medical School, received the Nobel Prize in Physiology or Medicine in 1990 with Dr. E. Donnall Thomas, who won for his work in bone marrow transplants. Dr. Murray's career was primarily in reconstructive surgery, his original specialty, and transplants.

In December 1954, Dr. Murray and his associates at Boston's Peter Bent Brigham Hospital, developed new surgical techniques and successfully transplanted a kidney from one man to his identical twin brother. He performed more transplants over the next few years as well as kidney transplants.

Family and friends described Mr. Murray as a great man who was generous, curious and always humble.

The Town of Milford proudly recognizes Dr. Murray's accomplishments and awards as well as his genius. We are truly fortunate to have known him and his passing is the world's loss.

MILFORD BOARD OF SELECTMEN

Room 11, Town Hall, 52 Main St. (Route 16), Milford, Massachusetts 01757-2679
Phone 508-634-2303 Fax 508-634-2324

BOARD OF SELECTMEN/TOWN ADMINISTRATOR

The Offices of the Board of Selectmen and the Town Administrator, located in Room 11 of Town Hall, are open 8:30AM to 5:00PM, Monday through Friday. Board meetings, held on Monday evenings in Room 03 at Town Hall, are televised via the local cable channel. The Minutes, the formal record of meetings, may be inspected upon request. Meeting agendas and minutes are also available on the Town of Milford's website www.milford.ma.us.com.

The Board of Selectmen is the chief elected board of the community. Amongst its many responsibilities and duties, the Board

- Establishes policies and practices for all facets of local government.
- Appoints individuals to boards and committees under their jurisdiction.
- Serves as the local licensing authority.
- Represents the Town of Milford in all legal affairs.
- Serves as the liaison to all committee and Town Departments.

We concluded a most challenging 2012 facing the uncertainty of the "fiscal cliff" debate and while that problem was "solved", it seemed only ready to reappear in a few short months. Naturally we are concerned as our nation's finances affect both the Commonwealth of Massachusetts and our community.

Nevertheless, the Board of Selectmen have accomplished a number of successes in 2012 including a solid budget, money added to our \$10 Million Stabilization Fund, and an opportunity to lessen our dependency on fossil fuels while simultaneously allowing the Town of Milford to reduce our electricity cost by entering into a Net Metering Project with DG Clean Power LLC.

As we enter 2013, the Town of Milford is poised to confront all issues that will have a lasting impact on our residents future and our quality of life.

The Town Administrator manages the daily operation of the Selectmen's Office, and is the administrative supervisor of department heads appointed by the Board. The Town Administrator also coordinates cooperative purchasing activities, and serves as Town Coordinator of the Americans With Disabilities Act, the Chief Procurement Officer of the Uniform Procurement Act, the town's Safety Coordinator, and the Municipal Database Coordinator for the Enhanced 9-1-1 Emergency Response System.

The Board of Selectmen and the Town Administrator have become actively involved with many projects and special activities throughout the year.

Highlights of 2012 include the following:

- Neighborhood Task Force.
- Senior Center/Second Floor Renovations.
- Building Department/Installation of Permit Tracking Software.
- Adoption of Noise By-Law.
- Proposal for expansion of Louisa Lake Parking Lot.
- Painting of Town Hall Exterior.
- Renovation of Town Hall Stairs.
- Adoption of Committee Handbook Policy.
- Approved Solar Net-Metering Project.
- Town of Milford joins IMAGE Program.
- Route 16 Improvement Project begins.
- Special Town Meeting approves Milford Pond project.
- Proposed Zoning By-Law/Medical Marijuana Treatment Centers.

- Established Designer Selection Committee for Police Station Roof.
- Hired architect for Town Hall window replacement.
- Established Woodland School Building Committee.
- Began Water Street/Prospect Street Traffic Signal Improvement.
- Provided \$1Million of Tax Relief at October 2012 Special Town Meeting.

Chapter 40, Section 49 of the Massachusetts General Laws mandates the publication of this Annual Town Report, which must include reports of the School Committee, Town Accountant, and Town Treasurer. Beyond that which is mandated, however, the Selectmen attempt to provide information of interest and practical value to Milford residents. The Selectmen welcome your comments and suggestions for improvement of both format and content.

The Selectmen encourage Milford's residents to take an active role in the development of the community. An application for membership on various boards appointed by the Selectmen is available in the Selectmen's Office or on line for residents who are willing to share their skills and experience through involvement in town committees and volunteer efforts. Through these efforts the community will continue to grow and prosper.

Please let us know if you have any suggestions for improvements in the way that we are currently operating. We look forward to serving you.

Finally, it would be inappropriate to conclude this report without expressing appreciation to all town employees and department heads for their cooperation and assistance this past year. Their efforts have contributed greatly to our success. We thank them all.

In 2012, we also were saddened by the retirement of long time employee, Carmen Lebron Sanchez. She was a pleasure to work with and she will be missed. Also, we wish to apologize sincerely for the inadvertent omission of a 2011 retirement. Deputy Police Chief Ronald Marino retired from the Milford Police Department in March 2011 after serving our community for 37 years. Ron was not only a credit to the department but also a gentleman and a friend. He too will be missed.

A special thank you again is extended to Mrs. Liz Fernandes for her many hours of hard work in compiling this Annual Town Report.

Rochelle C. Thomson
Animal Control Officer

2012 Annual Report

The Animal Control Department provides daily coverage on a limited hourly scheduled basis. Citizens requiring the department's services may call the office at (508) 478-3871. Highlighted below are some of the responsibilities and activities of the department throughout the calendar year.

- Enforcement of Milford Town By-Laws, Article 15A and Massachusetts General Laws, Chapter 140
- Citations issued
- Pick up and disposal of road kill
- Stray/abandoned dogs picked up and held at the pound facility
- Daily kennel duties/ maintenance of facility grounds
- Aid to other Animal Control Officers and government agencies
- Investigation of all logged complaints
- Appearances in court and local dog hearings
- Dog bites and other domestic/wild animal bites investigated
- Capture and destruction of suspected rabid animal
- Adoption placement of abandoned animals
- Trips to the veterinarian/ humane societies
- Patrols of parks, playing fields, schools and cemeteries

A Rabies Epizootic continues in the state of Massachusetts. The Animal Control Department wants to remind all residents that it is the law to have all dogs, cats, and ferrets vaccinated against Rabies. The Animal Control Department also wants to remind all dog owners to license their dogs yearly between April 1st and July 1st.

The Animal Control Department strives to find homes for all abandoned or unclaimed animals. The adoption fees are \$35.00 for altered dogs/cats/ferrets and \$75.00 for unaltered dogs/cats/ferrets. Other adoptable small pets are \$10.00. Animals that are available for adoption are listed on www.petfinder.com, in local newspapers, and on the patch.com

The department would like to take the opportunity to thank all of the other town departments and citizens for their continued cooperation, donations, and assistance throughout the year. Special thanks are extended to Wyatt Barie, from Boy Scout Troup 4, for his Eagle Scout project done at the Town Pound this year.

MILFORD BOARD OF ASSESSORS

Samuel J. Bonasoro, Chairman
Joseph F. Niro
Joseph F. Arcudi

Priscilla Hogan, MAA
Assessor/Administrator

The Assessors' office is responsible for keeping accurate data on all real estate and personal property in town and assessing both at market value as set forth in the Massachusetts General Laws. We are responsible for preparing the motor vehicle excise data received from the Registry of Motor Vehicles and turning it over to the tax collector to bill and mail. Our office handles tax exemptions for the elderly, blind, minor children of deceased Police or Firefighters killed in the line of duty, disabled veterans, hardships, and deferrals. We process abatements for eligible taxpayers for Motor Vehicle excise, real estate, personal property and the senior tax work-off credit. We continue to verify and collect data on all real estate and personal property in town. We re-measure 15% of the properties in town each year along with measuring and inspecting permits that are issued by the building department.

This year was a revaluation year overseen by the Department of Revenue. The Dept. of Revenue reviews all of our sales for 2011, they take a sample of our property record cards and do a field review verifying that our records appear to be correct; they review all the required analysis that we submit and proceeded to certify our values.

The Board of Selectmen held the tax classification hearing in the fall of 2012. The Selectmen voted to retain the Dual Tax Rate shifting the burden of 148% to the Commercial/Industrial/Personal Property classes. The tax rate for FY2013 per thousand dollars of valuation is \$16.95 for residential property and \$29.21 for Commercial/Industrial/Personal Property.

The Assessors' office continues the process of conducting a full measure and list of all properties in town. This is an ongoing project with 15 percent of the town being completed each year. This involves a letter being sent to taxpayers who will be inspected in the coming year notifying them that someone will be by to re-measure the building and do an inside inspection of each property. If no one is home at this time, or the time is inconvenient, a door hanger will be left for the property owner to call the office and schedule an appointment. The purpose is to verify/correct the data on file in the assessors' office as required by the Department of Revenue to maintain equity. The Board also recommends that property owners check their property record card every year to verify the data on file. It is the responsibility of the property owner to be sure the data is correct. The Assessors' property data is now on line through the Town of Milford web site (www.milford.ma.us). This data is updated once a year. It is posted when values are finalized, usually late December or early January.

The Board meets regularly as posted. Meetings are open to the public; however, any person who desires to meet with the Board should call and make an appointment to be put on the agenda.

The Board would like to take this time to thank Priscilla Hogan, the Assessor/Administrator, for her hard work and dedication to this community. She continues to serve on the Milford Senior Work-off Program Committee, the Milford Elderly exemption committee, and the Massachusetts Association of Assessing Officers Legislative committee.

Also, the Board wishes to thank the staff of Rui Pereira, Rebecca Alger and Dawn Naff for their consistent hard work and dedication to helping the taxpayers, other town departments and general customers. We also want to acknowledge the drive they have to continue with educational classes and the great team spirit they have within the town hall.

The Board also would like to thank all the town departments for their teamwork and the citizens of Milford for their continued cooperation and we look forward to serving the community in the coming year.

Respectfully submitted,

Samuel J. Bonasoro, Chairman

Fiscal Year 2012 Annual Report

A Letter from the Superintendent-Director: *Year in Review*

Fiscal Year 2012 (FY12) (July 1, 2011 – June 30, 2012) was a particularly exciting year at Valley Tech as we advanced along the path toward our long-term improvement goals. In doing so, we remain steadfast in our mission to improve the quality vocational technical education we provide to future generations of the Blackstone Valley Vocational Regional School District. A total of 32 Blackstone Valley Tech Class of 2012 graduates were residents of Milford.

We are committed to improvement for the future and our students are eager to rise to the challenges we provide. Time and time again students have proven that they are exceedingly able to raise the bar through the practical application of their academic and career and technical skills in the classroom and beyond. In addition to their scholastic achievements, our students display depth of character as is evidenced by their sportsmanship on the athletic fields and volunteerism in the community. We take great pride in their numerous accomplishments, and hope you do as well.

Recognizing that it is a challenge to educate the leaders of tomorrow in a facility that is anything less than state-of-the-art, we continued to make cost controlled improvements to our building and grounds in FY12. These repairs were undertaken in a strategic manner as we pride ourselves on our ability to remain fiscally conservative to ensure that these projects are brought to completion without having to ask for a mere penny of additional operation resources from our 13 member towns. The District aggressively pursues all pertinent non-taxpayer revenues available in order to self-fund these projects to improve the quality of education provided.

Valley Tech's FY12 budget, unanimously approved by each of its 13 member towns, reflected an overall increase of just 1.99 percent. Future planning established the FY13 budget with an overall increase of just 2.77 percent. We remain committed to providing quality education to a growing population with an eye on the bottom line investment made by each of our member towns. Your yearly financial commitment, the ongoing support from our 13 member towns, and your dedication to the system are key factors in our success as we promote 21st century skills in the Blackstone Valley.

Throughout my 18-year career as superintendent-director at Valley Tech, there have been numerous reforms to the education system in our nation. With a promise to remain cognizant of those changes for the continued advancement of vocational technical education in the Blackstone Valley, we shall continue to strive to be the best for our students - creating pathways allowing them to realize their full potential.

Dr. Michael F. Fitzpatrick
Superintendent-Director

MILFORD CAPITAL IMPROVEMENT COMMITTEE

Town Hall, 52 Main Street

Milford, MA 01757

CIC Year-End Report for 2012

Despite having vacancies in its membership and no official clerk throughout most of 2012, the Capital Improvement Committee [CIC] was still able to meet regularly during the year. At the end of the year – after fulfilling requirements established with the Personnel Board in 2011 *and* having the necessary adjustments to the CIC's staffing budget approved at Annual Town Meeting – the CIC was also able to hire someone to the restored Clerk position, while eliminating any present-need for the now-redundant job of paid Minutes-Recorder.

The CIC has continued to review future capital expenditures, planned to maintain or enhance the Town's assets and infrastructure. To assure proper consideration of all capital improvements, the CIC worked with the Finance Committee, all Town department heads, and various other Town officials. The result of this review has allowed the CIC to present to the Finance Committee and Town Meeting our recommendations for each of the capital expenditures presented for evaluation, as specified in [Article 18](#) of the [Town By-Laws](#). Archive copies of the CIC reports are available on the [CIC home page](#) of the [Town website](#).

This committee's charter requires that the CIC receive proper notice for all articles being brought for action before Town Meeting, and sponsors of all of those that satisfied the CIC's statutory thresholds did comply. As has happened recently, the Finance Committee and the CIC agreed on all warrant articles that required review by this committee in 2012, in that both committees ultimately recommended each of those articles favorably. [For detailed listings, refer to the CIC reports [on-line](#).]

In order to responsibly make recommendations to Town Meeting and the Finance Committee, this committee reviewed the individual merits of each of the proposed capital expenditures and then established the CIC Project Ratings. All of the capital projects seeking approval at the fall Special Town Meeting were also ranked by applying the recommendations in the Department of Revenue's CIP manual (i.e., [Developing a Capital Improvements Program; A Manual for Massachusetts Communities](#)). Breaking ties in that ranking depended on greater consistency with the Town's [Comprehensive Plan](#) and then -- only if necessary -- on higher CIC Project Ratings.

Finally, with all previous changes to Article 18 either passed-over or defeated in 2012, the CIC-sponsored updates to our governing by-law remain available for public review on the [CIC home page](#) of the [Town website](#) (until ATM 2013).

COLLECTOR OF TAXES

The office of the Collector of Taxes is responsible for the collection of all Real Estate, including Sewer Liens and Income & Expense Liens, Personal Property, and Motor Vehicle Excise taxes as committed by the Board of Assessors. All revenues are turned over to the Treasurer on a weekly basis. The Collector is responsible for the reconciliation of receipts and receivable balances with the Town Accountant's general ledger. Office hours are 8:30 A.M. to 5:00 P.M., Monday through Friday.

During these extremely difficult economic conditions, the collection rate remains at 99% for Real Estate & Personal Property & 95% for Motor Vehicle Excise taxes. The office collected and turned over to the Treasurer's Office approximately 56.1 million dollars in tax revenue in Fiscal Year 2012. An additional \$438,513 was collected in late charges, interest, Registry of Motor Vehicle fees and the cost of preparing Certificates of Municipal Lien.

The Tax Collector takes this opportunity to thank the staff, Claudia Dunlap, Theresa Dias, Dolores Vayo and other departments for their continued cooperation during the year.

A balance sheet for the Collector of Taxes appears in the Financial Section of this Town Report.

MILFORD COMMISSION ON DISABILITY

52 Main Street, Milford, Massachusetts 01757

E-mail: COD@milfordma.com Web: milford.ma.us

The Milford Commission on Disability acts as a centralizing force in the Town of Milford by dealing with disability issues; providing information, referral, guidance and coordination, by offering and providing technical assistance to other public agencies and private persons, organizations and institutions with the goal of eliminating prejudice and discrimination against persons with disabilities.

The Commission is expected to 1) take action it considers appropriate to insure equal status for persons with disabilities of every race, creed, color, national origin, veteran status, age and sexual preference and, 2) assure that no otherwise qualified individual with a disability in the Town of Milford be, solely by reason of his or her disability, excluded from participation, denied the benefits of, or be subjected to discrimination under any program or activity within the Town.

The Commission is charged with the responsibility of:

- Insuring equal status of the disabled in education, employment, economic, political, health, legal and social spheres,
- Designing and implementing programs that promote equality for all disabled in the Town,
- Reviewing recommendations and policies of all departments and agencies of the Town,
- Initiating, coordinating, and monitoring the enactment of legislation which promotes equal status of the disabled on town, state and federal levels, and to insure that appropriate regulations are adopted and enforced pursuant to such legislation including but not limited to, implementation of Sec 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act, all as currently amended and in effect,
- Assisting in the planning and coordination of activities of all departments,
- Participating in an advisory capacity in the hearing of complaints brought alleging discrimination against the disabled,
- Obtaining from Town departments and agencies any and all information necessary to carry out the functions, purposes, programs and activities of the Commission,
- Assisting in public awareness of the disabled through participation in public and media events sponsored by the Administrative and or Legislative bodies of the Town, including but not limited to Town sponsored recreational, educational and development activities,
- Being an active and participating member of appropriate organizations dealing with issues affecting the disabled, and
- Raising funds for the use of the Commission in accordance with established procedures and statutes and to accept money, gifts and services for its exclusive use and expend or use the same, and subject to appropriation or to receipt of such money, gifts, and services, employ clerical and technical assistance or consultants.

We would like to especially recognize Harold and Marcia Rhodes for making a most generous gift to the Commission this year. The gift is being used to help the Commission achieve community goals.

During 2012, the Commission provided input on 17 site and building plans, provided or arranged for accessible ramps at several locations, laid groundwork for the addition of accessible trail amenities and increased accessible parking, funded accessible lift repairs, proposed improved access to Louisa Lake, identified access improvements for the Town Library, coordinated with the Inspections Department to continue eliminating sidewalk obstructions and arranged for elimination of several barriers to accessible voting.

The Commission meets at our accessible Town Hall, usually on the third Wednesday of every month. Attendance by individuals interested in disability issues is encouraged. Specific meeting dates, times and room location are posted at Town Hall and at: www.milford.ma.us

COMMUNITY DEVELOPMENT OFFICE

The Community Development Office has recently relocated to the Highway Barn located at 30 Front Street and is open from 8 AM to 4 PM, Monday through Friday. Due to limited staffing, appointments are recommended and can be made by calling 508-634-2328. Office staff includes a full time Director and Program Coordinator.

The Office administers state and federal grant programs from agencies such as the Department of Housing and Community Development and Massachusetts Housing Finance Agency. All programs and most administrative expenses are funded through grant funds.

A variety of programs are administered through this office; many designed to benefit low to moderate-income persons and families.

The Housing Rehabilitation Program is a popular program available to low to moderate-income residents. This program offers 0% deferred interest payment loans to rehabilitate severely blighted owner occupied properties to create safe, decent, sanitary affordable housing.

Infrastructure improvements are underway for the Church Street Neighborhood. These improvements include updating the drainage system and replacing the sidewalks and curbing on Church Street, Draper Park and Bancroft Avenue.

MILFORD COMMUNITY SCHOOL USE PROGRAM

TO THE HONORABLE BOARD OF SELECTMEN:

Our 39th year has again been most rewarding and successful for the Milford Community School Use Program. Our program offerings were again well attended and, hopefully, we have continued to provide an enjoyable experience for the residents of our community.

The Milford Community School Use Committee, the nine-member advisory committee, meets every other month between September and May in the Milford Community School Use Program Office at Milford High School.

As we begin our 40th year, we will continue to try and meet the needs of our community. Our popular summer camp programs continue to grow, with many new activities. Kayaking at Louisa Lake will begin this summer. To inform people of our many classes, we send emailed newsletters to those interested in keeping up-to-date with our programs. As always, you may visit our website anytime to find out what is being offered.

To enhance the arts in the area, the Greater Milford Community Chorus continues to perform two annual performances. The chorus also has an outreach program that travels throughout the area to perform at smaller venues.

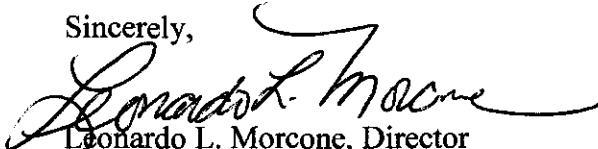

Please visit our website at www.milford.ma.us/mcs. Through the website, you may contact the Community Use Office with any questions or ideas. Residents are reminded that suggestions and ideas for new programs are always being solicited.

I extend my appreciation to the Milford School Committee, the Superintendent of Schools, the Milford School Department, and the other town boards and agencies for their support and cooperation during the past year.

The Milford Community Program Committee along with myself wish to express our gratitude to retiring Town Administrator Louis Celozzi for his many years of service to the Town of Milford not only as the Administrator but as the first Community Use Director. Congratulations on your retirement and best wishes for the years to come.

Finally, I would like to extend my sincerest thanks to the nine-member Milford Community School Use Committee for their devotion and support in continually striving for a comprehensive and enjoyable program for all our residents.

Sincerely,

Leonardo L. Morcone, Director

CONSERVATION COMMISSION

The Milford Conservation Commission is responsible for protecting and promoting the natural resources of the Town. The seven members of the commission are appointed by the Selectmen to serve for a three-year term. Meetings are held on the third Thursday of each month in the Town Hall.

The Commission is responsible for the protection and preservation of natural resources in the Town of Milford. The Commission administers, and is guided by, the Wetland Protection Act (M.G.L., Ch. 131, s40) and the Rivers Protection Act (Ch. 258 of the Acts of 1996). Any land-disturbing activity within the resource areas protected by these acts requires an application to the Conservation Commission with either a Notice of Intent or a Request for Determination of Applicability. In 2012, a total of ten (10) Notices of Intent, Eleven (11) Requests for Determination of Applicability and one (1) Abbreviated Notice of Resource Area Delineation were submitted for review to the Commission. These submissions generated \$4,124.50 in wetland fees.

The Commission also devotes its time and resources to promoting the use and enjoyment of the Town's natural resources and was instrumental in the development of the Upper Charles Trail. In addition, each spring, the Commission stocks Louisa Lake with trout for the fishing enjoyment of the community.

MILFORD COUNCIL ON AGING ANNUAL REPORT 2012

The Milford Council on Aging is a nine-member advisory board appointed by the Board of Selectmen. The Council meets on the second Tuesday of each month (except July & August) to make recommendations on matters concerning the operation and policies of the Milford Senior Center.

The Milford Senior Center, located at 60 North Bow Street, is the gateway for services for residents age 60+ and disabled residents, regardless of age. The Senior Center hours of operation are Monday through Thursday 8:30 am to 5:00 pm; Fridays from 8:30 to 4:00 pm and Sundays from 1:00 to 4:00 pm.

According to the 2010 Census our elder population (60+) is 5,124. The Senior Center provides supportive services, wellness programs, recreational activities and educational programs for our seniors. In 2012 the Senior Center provided 37,548 units of service to 3,678 (unduplicated) individuals. This number includes almost 11,000 phone calls for information and referrals, 19,330 units of recreation and 3,537 supportive services. Our newsletter, The Elder Milfordian, is mailed to 3,000 senior households five times a year. This 12-page publication is filled with information on matters of importance to elders and upcoming activities at the center.

The Senior Center van provides medical and local transportation for Milford Seniors and medical transportation for Hopedale seniors. In 2012 our transportation program provided 3,540 units of service to 182 (unduplicated) clients. Out-of-town medical transportation to destinations such as Boston and Worcester is available through a grant from the Executive Office of Elder Affairs.

The Friends of the Milford Senior Center, Inc. is a private, non-profit organization which raises funds for the Senior Center. Membership to the Friends is \$5 a year but membership is not necessary to participate at the Senior Center. All funds raised by the Friends go directly back to the Senior Center in the form of support for programs and activities or equipment that cannot be provided by the State or the Town.

The Milford Senior Center is the Headquarters for the S.H.I.N.E. Program (Serving Health Information Needs of Elders). The volunteer counselors for this program are highly trained to provide accurate and objective information on health benefits. In 2012 the Town funded the cost of completion of one of the unfinished rooms on the second floor to make a separate office for the S.H.I.N.E. Headquarters.

We are grateful to the Town for funding two new part-time positions for the Senior Center. Catherine Ziesmer, a licensed social worker, was hired as Client Services Coordinator and Johnna O'Loughlin was hired as a second Program Coordinator.

Over 76 volunteers gave 5,947 hours of volunteer service in 2012. Each May we honor our volunteers with a special luncheon (funded by the Friends of the Milford Senior Center) and honor an extraordinary volunteer. The Senior of the Year for 2012 was Shirley Bonnell. Recipients of the President's Award for outstanding volunteer service were: Richard Cenedella, Mariana Matthews, Ronald St. George and Catherine Ziesmer. We thank and extend our deepest appreciation to all of our volunteers for their efforts and dedication.

The Senior Center is prepared to meet the challenges of the ever-increasing elder population. We will continue to identify the needs of our elders and provide services and programs accordingly.

The mission of the Milford Cultural Council is to promote access, education and diversity in the arts, humanities, and interpretive sciences. Each year, Milford is allocated monies for programs through the Massachusetts budgeting process.

For Fiscal Year 2012, the Milford Council received 22 applications, requesting over \$19,000. After reviewing these applications, 11 cultural grants were awarded, totaling \$7,200. The beneficiaries of these monies included Woodland, Brookside and Memorial Elementary Schools, Stacy Middle School, Shining Star Preschool, Claflin Hill Music Performance Foundation, and the Greater Milford Community Chorus. Also, individuals were awarded grants for programs that will be held at the Milford Town Library as well as the Senior Center.

Respectfully Submitted,
Mary Martin
Chairperson

Town of Milford Office of Fair Housing

The Town of Milford, through its Board of Selectmen, has approved and continues to support a Fair Housing Action Plan in compliance with guidelines promulgated by the Massachusetts Commission against Discrimination and in conformance with State and Federal laws relevant to the provision of equal choice and housing for all individuals.

The plan is a public document and is available for inspection in the Selectmen's Office. The plan has been implemented through the efforts of the Fair Housing Committee with representation from: the Planning Board, the Housing Authority and the community-at-large. This committee continues to be charged with development a bilingual outreach program to disseminate information, the review of the actions of community boards and agencies pertaining to housing, the pursuit of activities, and the resolution of complaints concerning alleged discrimination in housing through the multi-lingual Complaints Intake Program.

Leonard C. Oliveri
Director

Town of Milford Inspector of Animals

In compliance with provisions of Massachusetts General Laws, Chapter 129 all dogs and cats involved in biting incidents and possible rabies exposure were quarantined by state protocol. Follow up investigations were conducted requiring animals under quarantine to be health checked and to be properly vaccinated, as required by law. The Annual Farm Inspections were done in November. All bovine, livestock and poultry were inspected and found to be in good health and disease free. Animal housing was observed to ensure good husbandry and that there was ample food and water supplied.

It is incumbent upon animal owners to keep their pets properly vaccinated for the safety of the animal as well as the safety of the general public. Citizens requiring assistance from the Animal Inspector may call (508) 478-3871.

***Town of Milford
Finance Committee
52 Main Street
Milford, MA 01757***

The Finance Committee is comprised of fifteen volunteer members appointed to staggered three-year terms by the Board of Selectman. Authority is granted to the Committee pursuant to Massachusetts General Laws chapter 44 and Article 2 of the General By-Laws of the Town of Milford. The Committee's major responsibilities include consideration of all indebtedness, administration of all Town Departments, and other municipal affairs of the Town, and to make such reports and recommendations to the Town concerning the same. In order to accomplish such responsibilities, the enabling By-Law grants the Committee authority to investigate and inspect the accounts, books, management, and records of the Town and any Enterprise Fund of the Town, and directs Town officers to furnish the same upon request. The Committee meets not less than monthly, usually the second Wednesday of the month, to accomplish these responsibilities, and often meets more frequently during the budget review process, as well as prior to Town Meetings. Furthermore, the members organize into subcommittees to meet with Town Departments, often during both daytime and evening hours.

In the fiscal year beginning July 1, 2012, the Committee approved a General Fund budget of \$81,054,096. The committee continues its commitment to minimal budget increases in order to curb operational spending, provide funds for necessary capital projects, while minimizing the financial burden on the taxpayers. The Town completed a \$3 million renovation of the athletic facilities at the High School, including the football field, tennis courts and adjacent areas, while making the facilities ADA compliant. Bathrooms with a concession stand will be completed in 2013. A feasibility study for Woodland School was approved for \$1,000,000, to assess and plan a new school or major renovation project at that location. New windows for the Town Hall have been approved and a new roof for the police station will also be installed. Available funds allowed for \$1.0m of excess levy capacity to reduce the total tax increase this year. The town's approval of an increase of the hotel tax generated an additional \$160,000 of local receipts, which contributed to the excess capacity. The national scene still paints a picture of fiscal uncertainty with concerns fueled by high federal deficits, high unemployment, global instability, a slowly recovering economy, and the prospect of higher taxes.

As with many growing Massachusetts communities operating within the confines of Proposition 2 ½, the Town is challenged continually by financial constraints. The Committee pledges its continued dedication to help overcome these constraints. While the majority of local area communities have passed Proposition 2 ½ overrides, or debt exclusions, the Town of Milford has yet to do so and is committed to providing excellent services to the community with a minimal increase to the taxpayers.

The Milford Finance Committee expresses its gratitude to the many Town officers and employees for their dedicated assistance, cooperation, and encouragement, as well as their critical assessment and commentary as warranted. In particular, the Committee extends special thanks to the Town Administrator, the Board of Selectmen, the Town Accountant, the Town Treasurer, and the Town Counsel for their assistance and cooperation during the past fiscal year.

2012 ANNUAL REPORT

The Milford Fire Department responds to a wide variety of incidents over the course of a year. These include structure fires, vehicle fires, brush fires, emergency medical assistance, hazardous materials, alarm investigations and public assistance calls. We continue to see a steady increase in calls for service from year to year as shown in the chart below.

2012 was the first year of our new ambulance agreement. We entered into a three year agreement with Community Emergency Medical Services (CEMS). The agreement provides for two Advanced Life Support Ambulances dedicated to the town 24 hours a day. In addition CEMS provides regular continuing education classes for our firefighter / EMTs. The relationship with CEMS has been very positive with an increased level of cooperation and coordination in addition to having the two dedicated ALS ambulances.

Staffing levels at the Milford Fire Department have remained constant over recent years. Department staffing presently consists of the Fire Chief, Deputy Fire Chief, six Lieutenants and thirty-two Firefighters and remains below national standards for communities the size of Milford.

Town meeting approved two capital projects during 2012. A new fire pumper was approved at cost of \$450,000. This will replace engine 5, which was placed in-service in 1987. Delivery is expected during August of 2013. The second project funded was the upgrade of the Birch Street Stations diesel and gasoline pumps and monitoring system. The upgrades will bring our underground fuel tanks into compliance with state and federal regulation.

The members of the Milford Fire Department and I look forward to providing the citizens of Milford with the highest level of service possible.

BOARD OF HEALTH

TOWN OF MILFORD, MASSACHUSETTS 01757

Kenneth C. Evans

Leonard Izzo

Paul A. Mazzuchelli, *Health Officer*

Telephone: 508-634-2315

The Milford Board of Health meets biweekly, on Mondays, at 6:00 PM in Room 14, Town Hall. Paul A. Mazzuchelli, Registered Sanitarian, Certified Health officer is the Board's Health Officer. Steven Garabedian serves as the Health Inspector. Mr. David Denlinger was appointed in October 2008 as Health Inspector overseeing the Maximum Occupancy By-Law.

The Board issues permits and licenses for retail and food service establishments, bakeries, tobacco sales, wells, , tanning salons, body art, maximum occupancy certificates for rental units and semi public/public pool approvals. The Board also approves the installation of all septic systems and issues burial permits.

The Visiting Nurse Association, the nursing agency for the Board of Health, conducts blood pressure clinics, flu clinics and other health maintenance clinics including TB investigations and follow-ups for The Board of Health .. The Board of Health held three annual flu clinics starting on October 5, 2012, October 11, 2012 October 17, 2012 resulting in a total of 300 residents attending these clinics. This year the seasonal flu started off slowly but around late November started to peak and hit our area hard. The entire east coast of the United States experienced a severe flu season into the New Year causing a shortage of vaccines.

The Board contracts with Allied Waste Systems, Inc for rubbish removal and recycling. . Eligible residents are served by curbside collections. Residents have been cooperative and the program is operating smoothly. Municipal Solid Waste (MSW) tonnage for calendar year 2012 was 8427.36. While the recycling tonnage totaled 1545.85 for 2012..

The Board of Health works diligently to achieve a high recycling rate for the town. By increasing the amount of materials that can be recycled, and by educating residents, this goal can be achieved. The Town of Milford through its Board of Health has a comprehensive curbside recycling program since 1991, the first in Worcester County and the second in the State of Massachusetts to provide this program and service.

The Transfer Station on Cedar Street is open 8:00 AM-3:45 PM on Thursday and 8:00 AM-4:45 PM on Fridays and Saturdays. This facility is usually only opened on Saturday during winter months (January through March). As of July 1, 2003 Transfer Station Permits are required by residents to use the facility. This year over 2,300 permits were issued for a \$20.00 fee. These funds will be used to support and make the necessary upgrades to the facility.

Through the efforts of Paul A Mazzuchelli, Health Agent, Milford received grants from the Department of Environmental Protection. These grants make it possible for the Board of Health to provide seven paint days from May to November and motor oil collection. Over 2,300 gallons of waste paint was collected and over 2,500 gallons of waste oil was collected. The Milford Board of Health hosted a household hazardous waste day was held on November 17, 2012 with no cost to those residents that use this program. A total of 70 residents used this service and a total of 5,200 pounds of hazardous waste was collected and properly disposed of by New England Disposal Technologies of Sutton, MA.

The Board also conducts a Dental Health Program, which includes a fluoride rinse for school children from grades K through 5. Dental Health Screening Education is also provided. Over 1,300 children benefit from this program. Mrs. Michelle Parker is coordinating this program for the board of health.

From June to September, the Board in conjunction with the Central Massachusetts Mosquito Project controls adult mosquitoes. West Nile Virus and Eastern Equine Encephalitis carriers are always closely monitored. This year was a very unusual year where West Nile Virus and Eastern Equine Encephalitis was at the highest level for this area in many years. Health Officer Paul A Mazzuchelli is one of the five commissioners serving on this board which covers 48 municipalities in Central Massachusetts.

The Board thanks the Milford Highway Department for assisting at the Transfer Facility, and for its continuous support.

- **Miscellaneous**

Phase two of the leaf compost area was completed on Fiske Mill Rd; the Town dump site on Asylum St was opened to residents for two weeks after Hurricane Irene for brush disposal only.

HISTORICAL COMMISSION OF MILFORD

Memorial Hall, School Street

Milford, MA 01757

2012 Annual Report

Helen Knox retires after serving many years as a commissioner. She has been a faithful and long standing member of the Commission championing the causes of preservation and restoration. Her dedication serves as an inspiration to all.

The Commission celebrated the 100th anniversary of the unveiling of the General William F. Draper statue on Sunday, September 23, 2012 at 2:00 pm in the Draper Memorial Park. The statue was a gift from General Draper's wife, Susan Preston Draper, to the Town. She commissioned Daniel Chester French to create an equestrian statue and Henry Bacon to design the pedestal and park. The Commission received a letter of commendation from the Board of Selectmen congratulating them on the patriotic ceremony. Keynote speakers were Donna Hassler from Chesterwood as the speaker on Daniel Chester French and Dan Malloy as the speaker on General William F. Draper. All participants were invited back to Memorial Hall to view the Museum and enjoy light refreshments.

Joseph Sliney, a local Boy Scout, chose the North Purchase District Schoolhouse for his Eagle Scout project. He has proposed clearing the yard of all logs and branches, raking, and mending the stone wall. He will request approval from the Board of Selectmen.

Commemorating the 100th anniversary of the unveiling of the General Draper statue served as the Commission's annual open house.

Reprints of our Memorial Hall flyer are being distributed at the Museum, Library, Town Hall, and hotels.

Gifts to the Museum for display on dress forms include a Milford Hospital student nurse's uniform of Massey Vignone, a Boy Scout uniform of William Hanlon, three Oak, Lily, and Ivy yearbooks, bicentennial shirts, and a book entitled My Diary by David L. Day, a Civil War veteran.

A hand written account of the building of Memorial Hall built in 1884 was uncovered by the Commission. Plans are to reprint the pages and preserve the original document.

Many tours continue to be conducted for school children, scouts, and teachers by appointment, along with walk-in visitors on Thursday during our weekly open house at the Museum. Programs are regularly scheduled throughout the year for fraternal, civic, and social events.

The Commission meets the second Wednesday of each month in the Memorial Hall Museum at 7:00 pm. All meetings are open to the public and new members are welcome. The Museum is usually open every Thursday afternoon and whenever there is an event in the GAR Hall.

MILFORD INDUSTRIAL DEVELOPMENT COMMISSION

52 Main Street, Milford, MA 01757 508-634-2317

2012 ANNUAL REPORT

The Industrial Development Commission (IDC) was established under MGL Ch.40 § 8A in order to promote and develop the industrial resources of the Town. The eleven member Commission is comprised of representatives from local government, the business community, and interested citizens, whose goal it is to assist Milford industries and attract new businesses and industries to the Town. The Industrial Development Commission relies on the 2003 Milford Comprehensive Plan adopted by the Planning Board as a guide to its program and project implementation. The Commission typically meets on the third Wednesday of each month at 4:00 pm in Town Hall.

Members of the IDC provided testimony at the annual tax classification hearing conducted by the Board of Selectmen. Maintaining an equitable shift in the Town's dual tax rate remained a primary focus for the Commission. Commission members stressed the IDC's position that further increases in the rate shift could have a detrimental effect on industrial development, and stressed the importance of Milford remaining competitive in attracting and retaining businesses by remaining competitive as to the cost of doing business. The Veterans Memorial Drive Extension project also remained a focus for the IDC. This project would relieve traffic congestion on Route 16 in Downtown Milford by shifting some 5,000 daily vehicle trips to a new alignment parallel to Route 16.

The IDC continues to support the Office of Planning and Engineering in providing a town-wide, web-based Geographic Information System (GIS). This electronic mapping system provides public access via the Internet to the Assessor's parcel maps and database, as well as a number of thematic maps such as zoning, flood plains, topography, aerial photography, wetlands and other environmental features. The GIS has been available to the public since early 2012.

The IDC monitors and maintains the signage program in the Bear Hill Business/Industrial Park, and facilitates signage updates for new businesses and industries locating in the Bear Hill area. The IDC continues to monitor the Quinsigamond Community College study committees' investigation into the possibility of establishing another satellite campus in the Blackstone Valley, hopefully in Milford. The Commission maintains the IDC's portion of the Town's website as a means of providing improved access to industrial and economic information with links to various State agencies. Individual members of the Commission continue to participate with various area businesses and organizations, including the Milford Area Chamber of Commerce, in promoting and supporting business issues affecting Milford.

The Milford Town Library experienced the loss of two library trustees and a library staff member in 2012. Library Trustee Richard Person passed away on June 16, 2012. Mr. Person was elected to the Board of Library Trustees in 2006. He also served as the chair of the Building Renovation Committee and helped to create the current library design. Chairman, Victor Valenti stepped down after 10 years of service. Mr. Valenti was instrumental in the development of Library's English as a Second Language program and the program participation expanded under his leadership. To offset these losses, two new Library Trustees Giancarlo Bon Tempo and Katherine Mastroianni were appointed to the Board of Library Trustees. Associate Librarian for Technical Services, Mary Nolan retired after 25 years of service.

Delivery of information is changing. Traditional library materials are still very important but the shift to digital formats has opened up new challenges in providing accessibility and availability of digital and printed collections. In response to the shift, the Milford Town Library and the Central Western Massachusetts Resource Sharing Library network (C/WMARS) are looking into ways to improve access to all types of collections. Milford residents through the C/WMARS Library network have access to the collections of 150 libraries. Milford Library patrons can visit or request on line library materials and delivery can be made to the Library. Patrons requested 31,000 items from other member libraries for delivery to the Milford Town Library. Milford provided 42,000 items to other member libraries. Milford residents have access to 9,754 E-books that can be downloaded to a mobile device. The Library's collection is also changing. The number of items within the collection has grown to 138,240. The Video and audio collections have seen a 5% increase from 2011 while the magazine collection has been reduced from 190 titles to 177 over the same time. Publishers are ceasing printed publications and only offering a digital subscription. Milford Town Library is now spending 50% of the reference collection budget purchasing databases and other reference resources and can be used with many different devices in and outside the Library.

Digital access is growing but the Milford Town Library is still had a 2% increase in visits to the Library (161,124) and circulation increased to 253,489. The Library hosted 985 meetings and 4,984 patrons enjoyed a wide range of adult and youth programs. Milford Town Library is always adapting to new technology trends and these trends present a challenge in keeping resources available and accessible to all residents. The Library is becoming the only place where some residents have access to digital resources. During 2012 the wireless network was accessed over 22,000 times and there were 792 Internet sessions per week.

The Milford Town Library is a reflection of Milford Community. Without the support of the Milford Town Library Board of Library Trustees, Friends of Milford Town Library, Finance Committee and Milford residents, the Library could not flourish and provide excellent service.

METROPOLITAN AREA PLANNING COUNCIL

60 Temple Place, Boston, MA 02111

2012 Annual Report

The Metropolitan Area Planning Council (MAPC) is the regional planning agency serving the people who live and work in the 101 cities and towns of Greater Boston. With a mission to promote smart growth and regional collaboration, MAPC's work is guided by our regional plan, "MetroFuture: Making a Greater Boston Region." Founded in 1963, MAPC will celebrate its Golden Anniversary in 2013.

Approaching our 50th anniversary in 2013, MAPC caps off a year of remarkable growth and transition in 2012. With more than 200 projects underway, we have extended our reach into areas once thought incongruent with traditional planning: public health, clean energy, interactive gaming, education, community engagement and more. Becoming a leader in these emerging areas while furthering our bread-and butter planning work under MetroFuture has brought MAPC national recognition as a leader in smart growth and regional planning. This work is funded by the federal Sustainable Communities Regional Planning Grant, which ends in 2013, so we must be strategic and deliberate in planning to sustain that work.

Sustainable Communities projects have continued to showcase the very best of smart growth planning and policy throughout Greater Boston, with guidance from our **Metro Boston Sustainable Communities Consortium**, which governs the grant. The Consortium now numbers 170 member organizations, including 66 municipalities representing more than 80 percent of the region's 3 million residents.

MAPC also implements MetroFuture by helping cities and towns through the successful and popular **District Local Technical Assistance (DLTA) program**, which is an essential vehicle for helping communities to achieve more sustainable land use and more effective local governance. DLTA funding is provided by the Legislature and Governor to help cities and towns to collaborate regionally on housing, economic development, and regional service delivery. During 2012, MAPC had a total of 18 DLTA projects, four of them related to energy.

Over the past year, MAPC has expanded its regional and local energy technical assistance programs to support **clean energy efforts** and greenhouse gas reductions throughout the region. Through our Local Energy Action Program (LEAP), MAPC works closely with individual communities to help them plan and implement clean energy work in their residential, commercial and municipal sectors.

This year marked our inaugural partnership with the state Department of Public Health (DPH) for a five year, \$1.6 million Community Transformation Grant funded by the federal Affordable Care Act. Our efforts tackle the root causes of chronic illness, such as smoking, poor diet, and physical inactivity.

To help our growing network of stakeholders find and use data, MAPC proudly partnered with The Boston Foundation this year to release the newest version of our **Metro Boston Data Common**, built using the open source platform "WEAVE." WEAVE allows Data Common users to explore data, create charts and maps, and find locally-useful resources. For more information and to get started, visit www.metrobostondatacommon.org.

In December 2011, MAPC published "**The State of Equity in Metro Boston**," an analysis of how inequity creates challenges for people in the region in all stages of life. Although the region as a whole has become far more diverse over the past decade, this report showed that deep divisions and inequity remain. The report, is available online at www.regionalindicators.org, and we will follow up with a policy-focused plan for 2013. After the release of the report, MAPC turned immediately to developing an action agenda for equity in the region, working with stakeholders from throughout Metro Boston.

Implementing MetroFuture through every facet of our planning work is a core value at MAPC. Our "**Friends of MetroFuture**" database numbers more than 2,000 at the close of 2012, with a full roster of "Walks and Talks" activities in the works for 2013. For more information about events and to become a Friend of MetroFuture, visit the **new home of MetroFuture on the web**: www.mapc.org/metrofuture.

A key mission of MAPC remains the drive to help municipalities collaborate across their borders. A prime example is our unique **Fire Apparatus Collective Purchasing Program**. To date, 45 units of fire apparatus (including pumpers and aerials) have been purchased since the program's inception in 2010, representing total sales of close \$21.5 million and a savings of nearly \$900,000 for local fire departments. In addition to aerial apparatus and pumper apparatus, ambulances have just been added to the FCAM contract, and the first unit sold in November.

In keeping with our mission to promote regional collaboration, MAPC continues to facilitate the operation of the Northeast Region Homeland Security Advisory Council (NERAC). Three NERAC cache sites located in Beverly, Framingham and Lexington contain equipment to help the region prepare for and respond to major events such as natural or man-made disasters, by providing resources that municipalities typically can't afford to purchase individually. NERAC assets were deployed in Super Storm Sandy this year, making 2012 a year of deep need in terms of emergency planning and preparedness.

2012 marked a time of tremendous success for MAPC's legislative agenda. Several years of hard work and advocacy around the Community Preservation Act (CPA) came to fruition in 2012, when the Legislature increased the state matching fund and passed several reforms making it easier to adopt and use CPA. A total of 11 communities adopted CPA this year thanks to these reforms, including six municipalities in the MAPC region. MAPC also worked with SWAP subregion communities to support legislation that regulates the use of phosphorous fertilizers, as a way to reduce pollution and comply with challenging EPA regulations.

As we look toward 2013 and our 50th anniversary as Greater Boston's regional planning agency, MAPC remains committed to fostering a vibrant, more livable region by furthering the progressive goals of MetroFuture. Much about the region has changed during the last five decades, but our commitment to serving the people who live and work in our region remains steadfast.

Interested in staying in touch with us throughout the year? Visit www.mapc.org for news, project updates and ways to connect with us in 2013, including information on our anniversary celebrations. We look forward to commemorating 50 years with you in 2013, and to planning for the next generation of our region's future together.

South West Advisory Planning Committee (SWAP)

Bellingham, Dover, Franklin, Hopkinton, Medway, Milford, Millis, Norfolk, Sherborn, Wrentham

During 2012, the SWAP subregion municipal representatives participated in eight meetings to discuss issues of mutual interest and co-sponsored, with MetroWest Regional Collaborative, a Transportation Forum to address transportation finance. Using Sustainable Communities grant funding, the subregion hosted a Conservation Design Workshop presented by noted landscape designer Randall Arendt at Dean College.

SWAP members heard presentations and participated in discussions on the 495/MetroWest Development Compact Final Project Report (all SWAP communities except Dover were included in the Compact project that identified Priority Development and Preservation Areas); municipalities and universal access, a program on the requirements of the Americans with Disabilities Act; and the MetroWest Tourism and Visitor's Bureau. SWAP representatives also participated in training on MAPC's updated DataCommon resource, utilizing 2010 census information and other sources to obtain community data.

Transportation continued to be a major topic in the subregion with funding for a subregion transportation study a top priority. Requested by SWAP communities, the study will evaluate travel patterns within and between the SWAP communities to identify opportunities for increasing transit options. It is funded by the federal Unified Planning Work Program (UPWP) and awarded by the Metropolitan Planning Organization (MPO). The study will be conducted by the MPO's Central Transportation Staff (CTPS) and MAPC and should be completed by December, 2013. SWAP also reviewed and commented on projects proposed for funding in the Transportation Improvement Program (TIP). The Bellingham Planning Office was awarded a National Park Service Rivers and Trails Conservation Assistance grant for consulting services to create strategies for the Southern New England Trunkline Trail (SNETT) trail development. Grant partners include Franklin, and local trail associations.

Wrentham received District Local Technical Assistance (DLTA) funding for a two-part planning project that included build-out and traffic generation scenarios for the South Street/Route 1A corridor south of Interstate 495 and a visioning process for Downtown Wrentham. Utilizing concepts from the 2011 DLTA-funded SWAP Parking Bylaw Project, Bellingham and Wrentham Town Meetings approved modifications to their respective parking requirements in 2012.

In 2013, SWAP representatives look forward to participating in additional activities supported by the federal Sustainable Communities grant awarded to MAPC, as well as working on the transportation study.

MAPC would like to thank the SWAP Town Administrators/Managers, planners and representatives whose expertise, interest and participation guided our work this past year in implementing MetroFuture, the regional plan.

MILFORD POND RESTORATION COMMITTEE

Milford Pond, originally known as Cedar Swamp Pond, was historically a cedar swamp located in the headwaters of the Charles River. The cedar swamp was converted into a pond through the cutting of trees and the construction of a dam, circa 1938 that raised the water level within the swamp and created the shallow pond that exists today. In the 1940s and 1950s, Milford Pond was utilized by local residents for fishing, boating, swimming and ice-skating. Recent decades have witnessed a decline in water quality and depth, the proliferation of aquatic weed species, and a significant decrease in the value of the pond's aquatic habitat. The degraded state of the pond has existed since the late 1970s.

In 1994, the Milford Pond Restoration Committee was formed and several studies were conducted to determine the feasibility of restoring the pond. Hydraulic dredging of 40 acres that will not require draining the pond was chosen as the most feasible option. In 2001, the town was able to enlist the aid of the United States Army Corp of Engineers who have prepared plans and will partially fund (up to 65% of the cost) the project.

In October, at a Special Town Meeting, \$1.8 million dollars was appropriated as the 35% local share of the project. This appropriation allows the project to go forward to final design and permitting and pending final Federal funding approval out to bid for construction.

**MILFORD PARK DEPARTMENT

MILFORD, MA. 01757

The Milford Park Department maintains all school grounds, over 20 parks and fields, maintenance of about ten playgrounds, the Louisa Lake recreational area, the Upper Charles Trail, operation of the municipal pool, and maintenance of the North Purchase Street cemetery. The department also operates an in-house maintenance program.

We would like to thank Milford Youth Football and Cheerleading for completing the renovation of Fino Field Annex. The Annex was open for play in the fall.

Fino Field pool was sandblasted and a restroom renovation project is ongoing with a completion date of early 2013.

Through a town meeting article, plans are being made for improvements to Plains Park. Because Plains Park was a former landfill, some of the grounds have settled, creating large depressions in the playing fields.

Thanks again to the Greenleaf Garden Club for planting and maintaining flowers at several parks. Thanks also to the Claflin Hill Music Program for producing the Tuesday night concert series. Thanks also to the Milford Lions Club for sponsoring the entertainment at the July 4 fireworks display at Plains Park.

On a beautiful September afternoon, a large crowd attended the 100th year anniversary of the General Draper Statue.

Future goals include development of additional playing fields, improvements to existing facilities, and the installation of a playground at Fino Field.

We wish to thank retiring Park Commission Chairman Art Morin for over thirty years of dedicated service. Art has always been a true advocate for increasing recreational opportunities for all ages. He played a major role in many projects, including but certainly not limited to, the transformation of Plains Park from landfill to a 20 acre facility, the development of Prospect Heights Park, management of several athletic field light projects and ongoing repairs to the Fino Field pool.

Meetings are held at the Milford Youth Center. Park Department phone number is 508 478-1110x2650. Email is mbresciani@milfordma.com.

Milford Personnel Board Report to the Town of Milford for Calendar Year 2012

The Milford Personnel Board administers the Personnel By-Laws of the Town of Milford, and implements the Wage and Salary Administration Plan. Specific position classifications under the Board's jurisdiction, along with related salary and wage rates for FY2013, are incorporated within Article 2 of the 2012 Annual Town Meeting. The Board meets regularly in public session at Town Hall. Meeting dates and Agenda are posted at the Town Clerk's official Bulletin Board. The Personnel Board consists of five regular members, one of whom is appointed each year by the Board of Selectmen to serve a five-year term, and one alternate member, appointed by Selectmen to serve a three-year term.

The organization of the Board as of January 1, 2012, consisted of James Ligor, Chairman, and members Dennis Carroll, Warren Heller, Teresa Persico, and Michael Shain. Phyllis Ahearn served as the Board's clerk. Finance Committee member David Morganelli, Esq. served as liaison.

In July, The Board of Selectmen reappointed member Teresa Persico, Esq., to a five year term expiring June 30, 2017. Board members elected Dennis Carroll as Chairman, and James Ligor as Vice-Chairman. The alternate member position remains vacant, despite the Board's efforts to encourage citizens to apply for appointment. Interested applicants should contact the Selectmen's Office.

Several Article 2 personnel additions and changes took place in 2012, including the following:

- Johnna O'Loughlin, Program Coordinator/Milford Senior Center
- Catherine Ziesmer, Client Services Coordinator/Milford Senior Center
- Timothy Aicardi, Local Building Inspector

Throughout the year, the Personnel Board took action on many issues under consideration, including, but not limited to the following:

- Longevity Pay benefit for selected office support positions (approved by Town Meeting).
- Meeting with DIJ Municipal Management Services, re: abbreviated Classification and Compensation Study for 11 Salaried and 30 Hourly Rated positions.
- Unused Vacation Leave carryover for 29 employees (5 day/6 months maximum).
- Request for classification change for Clerk/Zoning Board of Appeals (in process)

Each year, an Analysis of Article 2 positions is prepared prior to the Annual Town Meeting. The Analysis incorporates detailed information regarding incumbent personnel employed in over 110 position titles, along with their assigned departments, appointing authorities, supervisors, classification, compensation grades and steps, lengths of service, current salaries/wages, and anticipated salaries/wages for the coming fiscal year.

In addition to the information provided in this Annual Report, Personnel Board information is updated on the Town's Website at **www.milford.ma.us**

The Personnel Board takes this opportunity to express its appreciation to all Town officials and personnel for their cooperation and assistance in 2012.

The Board looks forward to an equally positive and productive association in the year ahead.

REPORT FOR 2012

The Planning Board meets at 7:00 p.m. on the first and third Tuesday of each month at Town Hall. Special meetings may be called as determined by the number of applications. The Planning Board's statutory authority includes the following procedures that in many cases require a Public Hearing:

- Prepare and adopt the Town Comprehensive Plan
- Recommend to Town Meeting re. Amendments to the Zoning By-Law/zone changes
- Recommend to Town Meeting re. Acceptance of streets as Town ways
- The subdivision of land, including securing surety/bonds
- Site Plan Reviews
- Special Permits for Planned Residential & Elderly Housing Developments
- Recommend to Zoning Board of Appeals re. Variance and Special Permit petitions
- Recommend to Board of Selectmen regarding Chapter 121A Tax Agreements

This year the Planning Board reviewed 2 Site Plans, and held Public Hearings for 2 Special Permits, 0 Definitive Subdivisions, 0 Repetitive ZBA Petition, 1 Subdivision Regulation amendment, 0 rezonings, and on 4 Zoning By-Law Amendment. The Board processed 17 Waiver/Amendments to Site Plans, endorsed 6 ANR/81-P plans, and made recommendations to Town Meeting regarding 2 Street Acceptances.

In addition, the Planning Board made recommendations to the Zoning Board of Appeals on 11 Variances, 20 Special Permits, 0 Appeals, and 0 Ch.40B Comprehensive Permits. As of December 31, 2012 approximately 89 Lots/PRD units were eligible for building permits.

During calendar year 2012, application fees generated \$3,950.00 and the sale of Zoning By-Laws/Maps, Subdivision Regulations, and copying charges generated \$9.00 in deposits to the General Fund.

Chief of Police

250 Main Street * Milford, MA 01757 * Tel. (508) 473-1113 * Fax (508) 473-5087

Ladies and Gentlemen:

Thank you for the opportunity to present the 2012 Annual Report for the Milford Police Department. During this past year, the following personnel changes occurred within the Milford Police Department:

- Officer Edward Varteresian was promoted to the rank of Sergeant in response to Sergeant David Sacco's retirement in 2011 after 23 years of police service, of which 19 years were dedicated service to the Town of Milford.
- Officer Joseph Francesconi was hired.
- Officer Michael Cappabianca resigned to return to the Worcester Police Department as a rehire from a lay-off.
- Officer Angel Arce resigned to return to the Worcester Police Department as a rehire from a lay-off.
- Officer Antonio "Tony" Dinis was hired to replace Officer Michael Cappabianca.
- Officer Paulo "Paul" Pinto was hired to replace Officer Angel Arce.

I am pleased to report that the men and women of the Milford Police Department continue to meet their daily responsibilities and challenges in a professional and exemplary fashion. In 2012 the officers of the police department responded to 27,564 calls for service.

During 2012 the Milford Police Department sought and received a grant funding to replace and enhance the computers in the police vehicles. The newly acquired vehicles have the ability to scan a license or I.D. to verify its validity.

In response to a petition to the Massachusetts Office of Emergency Medical Services, the Milford Police Department received authorization for Officer Robbie Tusino, who is a license para-med, to equip a police vehicle with life saving equipment and supplies. This is a significant accomplishment because it is the first authorization in the State to allow a para-med to work alone.

On behalf of the men and women of the Milford Police Department I would like to thank the residents of the Milford community for your continued support of the men and women of the Milford Police Department. We look forward to the opportunity to work with you and to serve you in the coming years.

Sincerely yours,

2012 ANNUAL TOWN REPORT

True to its mission, the Milford Public Schools provides a learning environment which empowers all individuals in the school community to meet the challenge of change in an increasingly complex world. Based upon our core values of: Self-respect, Self-Discipline and Integrity; Academic Growth and Development; Respect for Diversity; Service to Community; Civic Responsibility; Personal Responsibility; High Ethical Standards; and a Commitment to Wellness, the Milford Public Schools assumes the tremendous responsibility of educating and preparing more than 4,000 students each year so that they can achieve success in the classroom and beyond. 2012 was a year with many district accomplishments to celebrate:

The Town of Milford was invited into the Massachusetts School Building Authority's (MSBA) Capital Pipeline to begin work on a feasibility study for a new elementary school to replace Woodland Elementary School with the support of Town Meeting members. This invitation allows the district to move forward with its Long Range Educational Plan to better serve the needs of the town and its students.

All district elementary schools adopted a new, standards-based report card for all students (grades K-4) that provides families with more detailed information about how their children are performing in school.

Middle School East received a \$5000 technology donation from Intel and Best Buy. The donation was used to purchase the latest technology for use in the classroom to assist students in their studies and to enhance the overall learning environment. Additionally, the students at the middle school level earned high marks on the MCAS, outperforming the state on every question. The number of civic activities at the middle school level in which students must participate was also expanded. Leadership at the two middle schools was streamlined for better efficiency, with Mrs. Nancy Angelini assuming the principalship at Stacy Middle and Middle School East. Mr. Craig Consigli assumed leadership of Woodland Elementary.

At the high school level, Advanced Placement (AP) exam opportunities for students at Milford High School were expanded. Also, a new alternative education program entitled "Pathways," was created at Milford High School to provide at-risk students with academic and counseling support as well as mentorship opportunities through work-site internships.

This year, the Milford community saw the gates open to a brand new Athletic Complex which now provides our student-athletes with a top-notch facility. The complex is also available for use by Milford residents. Most of Milford's athletic community joined the Hockomock League, a move that better fits the Scarlet Hawks both geographically and competitively. Also, the entire community came together to celebrate the victorious season of the 2012 Milford High School Girls Softball Team as they captured the title of Massachusetts State Softball Champions.

Milford Public Schools continues to provide students with exceptional educational and extracurricular activities aimed at educating the whole child. It is part of our commitment to preparing our students to excel in their lives today and in their futures tomorrow.

Respectfully submitted,

Robert A. Tremblay

For the calendar year of January through December of 2012 the Weights and Measures Department has tested and sealed 415 devices and generated \$6,068.00 in revenue for the Town of Milford.

ANNUAL NOTICE FOR WEIGHTS & MEASURES

In compliance with provisions of Chapter 98, Section 41 of Massachusetts General Laws as amended, I hereby give notice to all persons having usual places of business in Milford, Massachusetts using weighing and measuring devices for the purpose of buying and selling goods, wares, and merchandise for public weighing or for hire or reward to comply with the testing regulations of said devices.

Thanks to the great work of Ackerman Monument we now have one row of our early slate stones in good repair. They are placed in a trench filled with sand and other material. It is our hope that this is the answer to their remaining in this condition for several years to come. We will now do all the slate stone in this matter for their preservation. These slate stone are the headstones for Milford's forefathers. Trustees of Vernon Grove meet monthly except for December and August on the third Wednesday of each month at 3:00 pm in the Town Hall.

The cemetery has had a total of 26 burials in 2012, 19 traditional burials and 7 cremations. We sold 15 Lots this year.

Your Sewer Commission meets on Tuesday nights on a posted monthly schedule. All meetings are open to the public and are held in Room 14 of the Milford Town Hall located at 52 Main Street in Milford.

We issue permits for connection to our sewer system after careful review for compliance to all rules and regulations. We license all Drain Layers doing work in the Town of Milford. We continue working with the firm of Tata & Howard as our Engineering Consultants, with Jack O'Connell as its representative. This provides you, the taxpayer, with the most qualified and cost-effective service available today in the complex field of Wastewater Management.

The budget established for the Sewer Department operation is funded through the "Sewer Use Fees" as established and mandated by the Enterprise Fund Act, adopted by the Town in 1982.

Your Sewer Department staff dedicates itself to service and pride in its work, and continues to obtain accreditations and certification in the field of Wastewater Management.

Our Field Service support team inspects pipeline installations and maintains building and permit records at a cost savings to contractors, as well as generating revenue income for the Department. They establish scheduled routines of inspection, clean-out and testing, to keep the 60 miles of pipeline and 10 pumping stations in perfect running condition.

Our Sump Pump Program was initiated in 2010. Since that time, we have inspected 118 houses and removed 31 sump pumps that were connected to the sewer system, and we connected them to the drain system at no cost to the homeowner. This ongoing program will alleviate a large amount of inflow to the sewer system. We are now doing the Sump Pump Removal in house, which will be a large savings for the Town. This will also allow us to remove the sump pumps from the sewer system sooner.

We, your elected Board of Sewer Commissioners, continue to research a variety of funding revenues to expand our customer base. This is the only economic sense for a department that relies totally on monies received from our customers to pay all of our bills. Therefore, we must seek out alternatives to expand our customer base and services to provide for the future growth and maintenance of your Sewer Department.

DEPARTMENT OF VETERANS SERVICES

The mission of the Milford Department of Veterans' Services is to provide benefits and services to eligible veterans and their dependents in a timely and confidential manner in compliance with Massachusetts General Laws, Chapter 115. We also represent and advocate for veterans and family members with the U.S. Department of Veterans' Affairs as well as other government and private agencies to ensure maximum utilization of available resources.

Although the main function of the program is to provide financial assistance, there is a medical component whereby a client may be over budget for financial assistance yet they may qualify for medical benefits.

Our office attempts to utilize alternative sources as much as possible before assuming our obligations. We encourage our veterans to use the services of the many VA hospitals and clinics available for most of their needs.

The make-up of our clients varies from veterans and widows of WW II, Korea, Viet Nam as well as returning veterans from the current war.

Due to the current economy as well as the cost of medical services, our expenses have increased significantly over the last several years. The state reimburses the Town seventy-five percent (75%) of these expenses.

The office is open from 9-5 Monday through Friday and clients are seen either by appointment or as walk-ins. It is the intent of the program to provide eligible and qualified veterans with the benefits they are entitled to in a manner that is most cost-effective to the Town of Milford and the State of Massachusetts.

The Mission of the Milford Youth Center is to provide a safe environment that promotes self-esteem, builds character, and fosters the notion of community and the importance of respecting and serving others.

The youth of Milford have come to depend on the Youth Center to provide them with the necessary activities and events that help them develop physically, mentally, socially and emotionally through their childhood years. The Milford Youth Commission and MYC staff meets, on the second Monday of every month, at 7 PM at the Youth Center. The Center currently relies on funding from the United Way of Tri-County, individual donations, rental fees, fundraisers and support from the Town of Milford to keep its door open to our youth. Our net income for the period of 1/1/12-12/31/12 was \$42,460.41. The Center looks to continue progress and sustainability by working on grants, a strategic plan and capital improvements, in order to continue to provide a safe environment for the hundreds of youth and organizations we serve.

MYC Programs

Afterschool program: The Milford Youth Center after school program is open for youth ages 8-18, free of charge, from 2-6 pm Monday through Friday. We see over 200 youth every day, through this program and the many community and sports organizations that utilize the facility. Some of these programs include the JAG Youth Council, Zumba, Improv with Tank, Tai Kwon Do, Jujitsu, Arts & Crafts, Instructional Boxing, and other daily physical fitness activities. All participants must fill out a registration form to be a member.

Summer Camp: The Milford Youth Center offers an eight week, affordable summer camp every year. Activities include weekly field trips and fun in-town activities. Some trips include Southwicks Zoo, Breezy Picnic Grounds and Water Slides, Canobie Lake Park, Basketball Hall of Fame, Bellingham Cinema and the Milford Town Pool & Park.

Community Collaboration: The Youth Center is always looking for ways to work with local organizations to help provide more opportunities for the Youth we serve. By providing Milford youth with these types of programs and a safe environment during the after school hours and during our monthly events, we hope to address adolescent risk factors as well as promoting the partnership among community members to ensure a comprehensive vision and plan for the health of the youth in the town of Milford. The Center and the **Juvenile Advocacy Group** collaborate to provide resources and opportunities to youth and encourage healthy decision making. Our major project, Find Yourself Fridays, mission is to create a healthy, fun and educational environment for our youth while offering them an opportunity to improve their community. These events are held on a Friday night, each month, and attracts over 150. These events give youth a safe environment to be with their peers and enjoy music, dancing, games and healthy snacks. The Center is pleased to also partner with the **Teachers Driving Academy** to offer students a great program, at a reasonable price, with the added convenience of taking classes right at school! Each initial registration fee is a donation to Center. All information is available on the Youth Center website.

Rentals: The facility, including the gymnasium, is available for organizations and events. The Gymnasium is available at \$45 per hour per court. The baseball and softball hitting cages are available for \$15 per hour per section. All other rooms are available for \$45 per hour. Rental availability must be coordinated through the Director. Special rates are available for non-profits.

Other Annual Events: Christmas Parade, Jingle Bell Jamboree, Fashion Show, Family Dinners, Trash Walks, Veterans Parade, Coat Drives, Food Drives, Sneaker Collections, St. Pat's Fundraiser, etc.

(Board of Selectmen)

ARTICLE 24: To see if the Town will vote to amend the General By-Laws of the Town by adding thereto a new Article 14A to be entitled “Unlawful Noise” and which new Article 14A will provide in full as follows:

Unlawful Noise

Section 1. Unlawful Noise Prohibited. It shall be unlawful for any person or persons to create, assist in creating, continue, or allow to continue any excessive, unnecessary, or unusually loud noise which either annoys, disturbs, injures, or endangers the reasonable quiet, comfort, repose, or the health or safety of others within the Town of Milford. The following acts are declared to be loud, disturbing, injurious, unnecessary and unlawful noises in violation of this section, but this enumeration shall not be exclusive, namely:

- a) Radio, Phonograph, Musical Instruments and Television. The playing of any radio, phonograph, television set, amplified or musical instruments, loudspeakers, tape recorder, or other electronic sound producing devices, in such a manner or with volume at any time or place so as to annoy or disturb the reasonable quiet, comfort or repose of identified persons in any dwelling, hotel, hospital, or other type of residence, or in any office or building or of any persons in the vicinity.
- b) Shouting and Whistling. Yelling, shouting, hooting, whistling, singing, or the making of any other loud noises on the public streets, in a public place, or in any place to which the public has a right of access, between the hours of 11:00 p.m. and 7:00 a.m. or the making of any such noise at any time or place so as to annoy or disturb the reasonable quiet, comfort or repose of identified persons in or on a public way, a public place, a way to which the public has a right of access or any dwelling, hotel, hospital, or other type of residence, or in any office or building or of any persons in the vicinity.
- c) Animal Noises. The keeping of any animal or bird which, by causing frequent or long continued noise, shall disturb the reasonable comfort or repose of any indetified person.
- d) Devices to Attract Attention. The use of any drum, horn or other instrument or device of any kind for the purpose of attracting attention by the creation of noise and such noise annoys or disturbs the reasonable quiet, comfort or repose of identified persons, This section shall not apply to any person while participating in a school band or duly licensed parade or who has been otherwise authorized to engage in such activity.

Section 2. Commercial Activity Generating Noise. The following commercial uses and activities are determined to generate or involve excessive and/or unreasonable noise and are prohibited:

- a) Operation of earthmoving or other heavy vehicles or equipment, jack hammering, use of power tools between the hours of 9:00 p.m. and 7:00 a.m.
- b) Idling of any diesel-engine-equipped vehicle having a gross vehicle weight in excess of 15,000 pounds, or equipment between the hours of 9:00 p.m. and 7:00 a.m.
- c) Construction, demolition or alteration of any building or structure, including excavation and other site work, between the hours of 9:00 p.m. and 7:00 a.m.
- d) Operation of any wood/brush chipper, pneumatic-powered equipment or tool, hammer, chainsaw, commercial power mower, trimmer, blower or other construction, forestry or landscape equipment between the hours of 9:00 p.m. and 7:00 a.m.

e) Hours referred to in a) through d) above may be extended upon application for, and issuance of a permit therefore by the Chief of Police upon a showing of facts sufficient to establish a necessity for such an extension.

Section 3. Exemptions. None of the terms or prohibitions of the previous sections shall apply or be enforced against:

a) Emergency Vehicles And Equipment. Any police, fire, ambulance or other emergency vehicle, or emergency generator or equipment, engaged in emergency related response and/or activity and any vehicles or equipment actively engaged in snow or ice removal upon any public or private property.

b) Highway and Utility Maintenance and Construction. Necessary excavation in or repairs of bridges, streets, or highways, or any public utility installation by or on behalf of the Town, or any public utility or any agency of the Commonwealth of Massachusetts.

c) Public Address. The reasonable use of amplifiers or loud speakers for public addresses which are non-commercial in nature, and otherwise operating under a permit or license issued pursuant to applicable law, or activity otherwise constitutionally protected.

d) Noise caused by agricultural, farm-related, or forestry-related activities as defined by M.G.L. Chapter 128, Section 1A, as amended from time to time, including but not limited to the operation of farm equipment, sawmills, harvesting equipment, noises from farm animals, and the like.

e) Parades, public gatherings, or events, for which appropriate permits or licenses have been issued or which are constitutionally protected.

Section 4. Noise From Motor Vehicles. It shall be unlawful for any person while in control of any motor vehicle in the Town of Milford to cause any unnecessary, loud, excessive, or unusual noise in the operation of or from a motor vehicle. The fact that the noise is plainly audible at a distance of 100 feet from the motor vehicle from which it originates shall constitute prima facie evidence of a violation of this chapter. As used herein, the term “motor vehicle” shall include “motorcycle”.

Section 5. Penalties. Any person who violates this by-law shall be punished by a fine not to exceed \$300 for each violation. Each such act which either continues or is repeated more than one-half (1/2) hour after notice of violation of this by-law shall be a separate offense and shall be prosecuted as a separate offense.

Section 6. Other Remedies.

a) If the person or persons responsible for an activity which violates Sections 1, 2 and 4 cannot be determined, the person in lawful custody and/or control of the premises, including but not limited to the owner, lessee, occupant of the property or persons present therein from which the activity is occurring or emanating, shall be deemed responsible for the violation.

b) If the person or persons responsible for an activity which violates Sections 1 or 2 can be determined, any person or persons who violate Sections 1 or 2 of this by-law may be arrested without a warrant, provided that the violation occurs in the presence or view of any officer authorized to serve criminal process.

Section 7. Severability. If any provision of this by-law is held to be unconstitutional or otherwise invalid by any court of competent jurisdiction, the remaining provisions of the by-law shall not be invalidated, or take any other action in relation thereto.

(Board of Selectmen)

ARTICLE 24: To see if the Town will vote to amend the General By-Laws of the Town by adding thereto a new Article 14A to be entitled "Unlawful Noise" and which new Article 14A will provide in full as follows:

Unlawful Noise

Section 1. Unlawful Noise Prohibited. It shall be unlawful for any person or persons to create, assist in creating, continue, or allow to continue any excessive, unnecessary, or unusually loud noise which either annoys, disturbs, injures, or endangers the reasonable quiet, comfort, repose, or the health or safety of others within the Town of Milford. The following acts are declared to be loud, disturbing, injurious, unnecessary and unlawful noises in violation of this section, but this enumeration shall not be exclusive, namely:

- a) Radio, Phonograph, Musical Instruments and Television. The playing of any radio, phonograph, television set, amplified or musical instruments, loudspeakers, tape recorder, or other electronic sound producing devices, in such a manner or with volume at any time or place so as to annoy or disturb the reasonable quiet, comfort or repose of identified persons in any dwelling, hotel, hospital, or other type of residence, or in any office or building or of any persons in the vicinity.
- b) Shouting and Whistling. Yelling, shouting, hooting, whistling, singing, or the making of any other loud noises on the public streets, in a public place, or in any place to which the public has a right of access, between the hours of 11:00 p.m. and 7:00 a.m. or the making of any such noise at any time or place so as to annoy or disturb the reasonable quiet, comfort or repose of identified persons in or on a public way, a public place, a way to which the public has a right of access or any dwelling, hotel, hospital, or other type of residence, or in any office or building or of any persons in the vicinity.
- c) Animal Noises. The keeping of any animal or bird which, by causing frequent or long continued noise, shall disturb the reasonable comfort or repose of any indetified person.

d) Devices to Attract Attention. The use of any drum, horn or other instrument or device of any kind for the purpose of attracting attention by the creation of noise and such noise annoys or disturbs the reasonable quiet, comfort or repose of identified persons, This section shall not apply to any person while participating in a school band or duly licensed parade or who has been otherwise authorized to engage in such activity.

Section 2. Commercial Activity Generating Noise. The following commercial uses and activities are determined to generate or involve excessive and/or unreasonable noise and are prohibited:

a) Operation of earthmoving or other heavy vehicles or equipment, jack hammering, use of power tools between the hours of 9:00 p.m. and 7:00 a.m.

b) Idling of any diesel-engine-equipped vehicle having a gross vehicle weight in excess of 15,000 pounds, or equipment between the hours of 9:00 p.m. and 7:00 a.m.

c) Construction, demolition or alteration of any building or structure, including excavation and other site work, between the hours of 9:00 p.m. and 7:00 a.m.

d) Operation of any wood/brush chipper, pneumatic-powered equipment or tool, hammer, chainsaw, commercial power mower, trimmer, blower or other construction, forestry or landscape equipment between the hours of 9:00 p.m. and 7:00 a.m.

e) Hours referred to in a) through d) above may be extended upon application for, and issuance of a permit therefore by the Chief of Police upon a showing of facts sufficient to establish a necessity for such an extension.

Section 3. Exemptions. None of the terms or prohibitions of the previous sections shall apply or be enforced against:

a) Emergency Vehicles And Equipment. Any police, fire, ambulance or other emergency vehicle, or emergency generator or equipment, engaged in emergency related response and/or activity and any vehicles or equipment actively engaged in snow or ice removal upon any public or private property.

b) Highway and Utility Maintenance and Construction. Necessary excavation in or repairs of bridges, streets, or highways, or any public utility installation by or on behalf of the Town, or any public utility or any agency of the Commonwealth of Massachusetts.

c) Public Address. The reasonable use of amplifiers or loud speakers for public addresses which are non-commercial in nature, and otherwise operating under a permit or license issued pursuant to applicable law, or activity otherwise constitutionally protected.

d) Noise caused by agricultural, farm-related, or forestry-related activities as defined by M.G.L. Chapter 128, Section 1A, as amended from time to time, including but not limited to the operation of farm equipment, sawmills, harvesting equipment, noises from farm animals, and the like.

e) Parades, public gatherings, or events, for which appropriate permits or licenses have been issued or which are constitutionally protected.

Section 4. Noise From Motor Vehicles. It shall be unlawful for any person while in control of any motor vehicle in the Town of Milford to cause any unnecessary, loud, excessive, or unusual noise in the operation of or from a motor vehicle. The fact that the noise is plainly audible at a distance of 100 feet

from the motor vehicle from which it originates shall constitute prima facie evidence of a violation of this chapter. As used herein, the term "motor vehicle" shall include "motorcycle".

Section 5. Penalties. Any person who violates this by-law shall be punished by a fine not to exceed \$300 for each violation. Each such act which either continues or is repeated more than one-half (1/2) hour after notice of violation of this by-law shall be a separate offense and shall be prosecuted as a separate offense.

Section 6. Other Remedies.

a) If the person or persons responsible for an activity which violates Sections 1, 2 and 4 cannot be determined, the person in lawful custody and/or control of the premises, including but not limited to the owner, lessee, occupant of the property or persons present therein from which the activity is occurring or emanating, shall be deemed responsible for the violation.

b) If the person or persons responsible for an activity which violates Sections 1 or 2 can be determined, any person or persons who violate Sections 1 or 2 of this by-law may be arrested without a warrant, provided that the violation occurs in the presence or view of any officer authorized to serve criminal process.

Section 7. Severability. If any provision of this by-law is held to be unconstitutional or otherwise invalid by any court of competent jurisdiction, the remaining provisions of the by-law shall not be invalidated, or take any other action in relation thereto.

(Board of Selectmen)

A Motion was made to waiving the reading of the motion because it is the same as in the Warrant, Voice Vote taken to waive the reading....Voice Vote Carried.

It was Moved: That the Town vote to amend the General By-Laws of the Town by adding thereto a new Article 14A to be entitled "Unlawful Noise" and which new Article 14A will provide in full as follows:

Unlawful Noise

Section 1. Unlawful Noise Prohibited. REGISTER OF DEEDS

SPECIAL TOWN MEETING
October 22, 2012
Milford, Massachusetts

COMMONWEALTH OF MASSACHUSETTS

WORCESTER, SS:

To either Constable of the Town of Milford in said County,

GREETINGS:

In the name of the Commonwealth aforesaid, you are hereby required to notify and warn the Inhabitants of the Town of Milford, qualified by law to vote in Town Affairs, to meet in the Upper Hall of the Milford Town Hall, 52 Main Street, on the 22nd day of October, 2012 A.D. at 7:30 P.M. and then and there to act upon the following articles:

ARTICLE 1: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be utilized for the July 4, 2013 celebration, or take any other action in relation thereto.

(Board of Selectmen)

ARTICLE 2: To see if the Town will vote to accept as and for a public way a private way known as Dynasty Drive, with appurtenant easements, or take any other action in relation thereto.

(Board of Selectmen)

ARTICLE 3: To see if the Town will vote to accept as and for a public way a private way known as Celestial Circle, with appurtenant easements, or take any other action in relation thereto.

(Board of Selectmen)

ARTICLE 4: To see if the Town will vote to amend the Zoning Bylaw relating to sheds as follows:

BY DELETING in Section 4.1 Definitions the definition of “Shed”.

AND BY DELETING Section 3.2.4 Sheds in its entirety and adopting in lieu thereof the following new Section 3.2.4:

“3.2.4 Setback Reduction – Notwithstanding the above, the required side and rear yard setbacks may be reduced by not more than 50% for an accessory building or structure not exceeding 120 square feet in gross floor area and 10 feet in height.”

or take any other action in relation thereto.

(Planning Board)

ARTICLE 5: To see if the Town will vote to delete the provisions of Article 18 of the General By-Laws entitled "Capital Improvement Committee" and at the same time amend Article 2 of said by-laws entitled "Finance Committee" by inserting a new paragraph within Section 4 thereof which paragraph shall state as follows:

The Finance Committee shall have a permanent sub-committee on Capital Improvements which sub-committee shall evaluate the capital needs of Town and its various departments and shall report and recommend thereon to the full Finance Committee.

or take any other action in relation thereto.

(Finance Committee/
Board of Selectmen)

ARTICLE 6: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be utilized by the Park Commission to purchase a new lawn tractor/mower, or take any other action in relation thereto.

(Park Commission)

ARTICLE 7: To see if the Town will vote to raise and appropriate a sum of money in the amount of \$44,000 to be utilized to increase the fiscal year 2013 appropriation for the Retirement Board to supplement the acceptance of the provisions of Subsection (j) of Section 103 of Chapter 32 of the General Laws as inserted by Section 19 of Chapter 188 of the Acts of 2010, or take any other action in relation thereto.

(Retirement Board)

ARTICLE 8: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money, said sum to be added to the Legal Department Expense Account for purpose of replacement of items of electronic equipment, or take any other action in relation thereto.

(Legal Department)

ARTICLE 9: To see if the Town will vote to amend the Personnel Bylaws of the Town by adding a new Section 5.13 as follows:

SECTION 5:13 LONGEVITY PAY:

Longevity Pay shall be granted to eligible personnel in the following positions:

Administrative Assistant to the Town Administrator

Milford Youth Center Assistant Director

in accordance with the following schedule:

\$350 per annum, effective years ten through fourteen
\$450 per annum, effective years fifteen through nineteen
\$650 per annum, effective years twenty and beyond.

said benefit to be effective as of the employee's 10th, 15th and 20th anniversary dates, and applicable retroactively to July 1, 2012, or take any other action in relation thereto.

(Personnel Board)

ARTICLE 10: To see if the Town will vote to amend the Zoning Bylaw relating to Unregistered Vehicles as follows:

BY DELETING Section 3.10 Junk Cars in its entirety and adopting in lieu thereof the following new Section 3.10:

“3.10 Unregistered Vehicles - No person shall permit unregistered motor vehicles or parts thereof to remain on their premises except as provided for herein:

3.10.1 In Residential, Office Residential, Business Park, and Central Commercial Districts: The outdoor placement and/or storage of unregistered motor vehicles or parts thereof is prohibited.

3.10.2 In Neighborhood Commercial, Highway Commercial, and Industrial Districts: Outdoor placement and/or storage of unregistered motor vehicles is prohibited unless a Special Permit for such use is granted by the Zoning Board of Appeals.

3.10.3 Junk Cars: In all Districts the outdoor placement and/or storage of junk motor vehicles or parts thereof is prohibited.

3.10.4 The foregoing shall not apply to motor vehicles or parts thereof stored or garaged entirely inside of a building.”

or take any other action in relation thereto.

(Planning Board)

ARTICLE 11: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money in the amount of \$190,000 to be spent under the jurisdiction of the Highway Surveyor for the purpose of the purchase of a front end loader with a snow plow and patrol wing, or take any other action in relation thereto.

(Highway Surveyor)

ARTICLE 12: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money in the amount of \$100,000 to fund the Health Insurance Mitigation Plan adopted under G.L. c. 32B §§ 21-23, or take any other action in relation thereto.

(Board of Selectmen)

ARTICLE 13: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be utilized to fund the cost items in the Collective Bargaining Agreement between the Town of Milford and the Milford Firefighters' Association, or take any other action in relation thereto.

(Board of Selectmen)

ARTICLE 14: To see if the Town will vote to appropriate a sum of money, to be utilized to dredge a portion of Milford Pond to re-establish deep water habitat for aquatic species and provide recreational fishing and boating benefits, such dredging to consist of an area of approximately 20 acres in the southern portion of the pond to a depth of approximately 12 feet using hydraulic dredging systems; and further to see how said sum shall be raised, whether from the current tax levy, by transfer from available funds, by borrowing or otherwise, or take any other action in relation thereto.

(Milford Pond
Restoration Committee)

ARTICLE 15: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money in the amount of \$35,000 to be spent under the jurisdiction of the Park Commission for the purpose of purchase of a new truck, or take any other action in relation thereto.

(Park Commission)

ARTICLE 16: To see if the Town will vote to appropriate a sum of money to be spent under the jurisdiction of the Fire Chief for the purpose of purchasing and equipping a new fire engine to replace Engine 5; and further to see how said sum shall be raised, whether from the current tax levy, by transfer from available funds, by borrowing or otherwise, or take any other action in relation thereto.

(Fire Chief)

ARTICLE 17: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be utilized for the installation of new windows in Milford Town Hall, or take any other action in relation thereto.

(Board of Selectmen)

ARTICLE 18: To see if the Town will vote to amend Section 4.1 Definitions of the Zoning Bylaw as follows:

BY DELETING the definition of the following words/phrases: “Building”; “Structure”; “Yard, Front”; “Yard, Rear” and, “Yard, Side”

AND ADOPTING in lieu thereof the following new definitions:

Building – Any structure used or intended for supporting or sheltering any use or occupancy.

Structure – That which is built or constructed, except a border wall or fence or a retaining wall.

Yard, Front - The required yard extending between side property lines across the front of a lot adjoining a street. In the case of corner lots and through lots, front yards shall be required at all frontages of the lot. Large Scale Solar Energy System ^{1,22}		O	O	O	O	O	P	O	O	O	P	P	P

²² Solar Energy System subject to the requirements of Section 3.15 herein. ”

AND BY ADDING the following new Section 3.15 Solar Energy Systems:

3.15 Solar Energy Systems – It is the purpose and intent of this Section 3.15 to provide for Solar Energy Systems by establishing standards for the placement, design, construction, operation,

monitoring, modification and removal of such systems to address public safety, minimize impacts on scenic, natural and historic resources and to provide adequate financial assurance for the eventual decommissioning of certain such systems.

3.15.1 Small-Scale Solar Energy Systems as provided for in Section 2.3 Use Regulation Schedule of this By-Law may be installed as roof/building-mounted or as ground-mounted systems subject to the following development standards:

3.15.1.1 Capacity - Small-Scale Solar Energy Systems shall have a maximum rated nameplate capacity of less than 25 kW DC. For the purposes of this Section 3.15 the rated nameplate capacity shall mean the maximum rated output of electric power production of the solar energy system in Direct Current (DC).

3.15.1.2 Permit/Site Plan Requirements – A building permit shall be required for the installation of all small-scale roof/building-mounted and ground mounted systems. In addition to a building permit, Site Plan approval must also be received from the Planning Board for small-scale ground-mounted systems, however Site Plan approval is not required for small-scale roof/building-mounted systems.

3.15.1.3 Dimensional Requirements - Small-Scale Solar Energy Systems shall comply with all requirements of Section 2.5 Intensity of Use Standards of this bylaw except that there shall be no reduction in yard requirements as applies to certain accessory structures; except that the maximum height for a ground-mounted system shall be six (6') feet; and further, that such ground-mounted systems shall be included in the calculation of required Minimum Open Space.

3.15.1.4 Installation – Small-Scale Solar Energy Systems shall be permanently structurally mounted on either the ground or on a building.

3.15.2 Large-Scale Solar Energy Systems as provided for in Section 2.3 Use Regulation Schedule of this By-Law may be installed as roof/building-mounted or as ground-mounted systems subject to the following development standards:

3.15.2.1 Capacity - Large-Scale Solar Energy Systems are those systems that have a minimum rated nameplate capacity of at least 25 kW DC. For the purposes of this Section 3.15 the rated nameplate capacity shall mean the maximum rated output of electric power production of the solar energy system in Direct Current (DC).

3.15.2.2 Permit/Site Plan Requirements - A building permit shall be required for the installation of all large-scale roof/building-mounted and ground mounted systems. In addition to a building permit, Site Plan approval must also be received from the Planning Board for all large-scale roof/building-mounted and ground mounted systems.

3.15.2.3 Dimensional Requirements - Large-Scale Solar Energy Systems shall comply with all requirements of Section 2.5 Intensity of Use Standards of this bylaw, except that there shall be no reduction in yard requirements for a ground-mounted system as applies to certain accessory structures. Further, such ground-mounted systems shall be included in the calculation of required Minimum Open Space unless installed above paved off-street parking spaces sufficiently elevated so-as not to obstruct the use of and access to such parking spaces. The maximum height for a ground-mounted system shall be ten (10') feet, except that

elevated installations over parking spaces shall have a maximum height of eighteen and one half (18.5') feet.

3.15.2.4 Installation - The system shall be permanently structurally mounted on the ground or on a building.

3.15.2.5 Operation & Maintenance Plan - The project proponent shall submit a plan for the operation and maintenance of the large-scale solar energy system, which shall include measures for maintaining safe access to the installation, stormwater controls, as well as general procedures for operational maintenance of the installation.

3.15.2.6 Utility Notification - No large-scale solar energy system shall be constructed until evidence has been given to the Planning Board that the utility company that operates the electrical grid where the system is to be located has been informed of the system owner's or operator's intent to install an interconnected customer-owned generator. Off-grid systems shall be exempt from this utility notification requirement.

3.15.2.7 Abandonment - Any large-scale solar energy system which has reached the end of its useful life or has been abandoned consistent with this Section 3.15.2.6 shall be removed. The owner or operator shall physically remove the system no more than 150 days after the date of discontinued operations. The owner or operator shall notify the Planning Board by certified mail of the proposed date of discontinued operations and plans for removal. For purposes of this Section 3.15.2.6 a large-scale solar energy system shall be considered abandoned when, absent notice to the Planning Board of a proposed date of decommissioning or written notice of extenuating circumstances, it fails to operate for more than one year without the written consent of the Planning Board.

3.15.2.8 Decommissioning - The decommissioning of a large-scale solar energy system shall include the physical removal of all structures, photovoltaic panels, equipment, security barriers and transmission lines from the site; the disposal of all solid and hazardous waste in accordance with local, state, and federal waste disposal regulations; and, the stabilization or re-vegetation of the site as necessary to minimize erosion. The Planning Board may allow the owner or operator to leave landscaping or designated below-grade foundations in order to minimize erosion and disruption to vegetation.

3.15.2.9 Right of Entry - If the owner or operator of a large-scale solar energy system fails to remove the installation in accordance with the requirements of Sections 3.15.2.6 or 3.15.2.7 herein, the Town may enter the property and physically remove the system.

3.15.2.10 Financial Surety - Proponents of large-scale solar energy systems shall provide a form of surety, either through escrow account, bond or otherwise, to cover the cost of removal in the event the town must remove the system and remediate the landscape, in an amount and form determined to be reasonable by the Planning Board. The project proponent shall submit a fully inclusive estimate of the costs associated with removal, prepared by a qualified engineer. The amount shall include a mechanism for calculating increased removal costs due to inflation. Such surety will not be required for town-owned or state-owned facilities.

ARTICLE 31: To see if the Town will vote to amend Article 18, "Capital Improvement Committee" of the General Bylaws of the Town by replacing the entire article with the following revised language:

ARTICLE 18

CAPITAL IMPROVEMENT COMMITTEE

Section One: Establishment of Committee

- (a) There shall be established a Capital Improvement Committee (hereinafter "Committee") which shall perform the duties set forth in the following sections of this By-Law and shall be governed by the provisions hereof.
- (b) The Committee shall consist of five (5) registered voters of the Town of Milford (hereinafter "Town"), none of whom is a Town employee or Town official (either elected or appointed), and shall be appointed as provided in Section Two. For purposes of this By-Law, no person shall be considered a Town official for serving as a Town Meeting Member or as a Constable or for performing any specific service authorized by Town Meeting.

Section Two: Term of Service; Selection of Members; Vacancies

- (a) Of the five (5) members of the Committee, two (2) shall be appointed by the Town Moderator and three (3) by the Board of Selectmen. Subject to the provisions below, members shall be appointed to terms of five (5) years.
- (b) Upon approval of the provisions of this By-Law, the two (2) most senior incumbent members of the Capital Planning Committee as previously in place, not otherwise in conflict with Section One (b) above, shall continue to serve. Such incumbents shall serve as appointees of the Moderator, one to have a term expiring on June 30, 1997 and the other on June 30, 1999, as the Moderator shall designate. If there are no such incumbents, the Moderator shall otherwise appoint or reappoint such eligible individuals to terms expiring as aforesaid.
- (c) The Board of Selectmen shall appoint three (3) members whose terms shall expire on June 30 of 1996, 1998, and 2000, and shall thereafter upon expiration of each term appoint or reappoint eligible individuals to five (5) year terms.
- (d) Whenever a vacancy occurs on the Committee, it shall be filled by the appointing authority that appointed the member whose position has become vacant. Any person appointed to fill a vacancy shall hold office for the unexpired term of the person succeeded.

Section Three: Committee Resources; Officers & Governance; Compensation

- (a) The Committee shall be allowed support staff and a budget suitable for staff compensation and general expenses, consistent with established Town policies for personnel and budgeting, subject to Town Meeting approval.
- (b) The Committee shall annually elect from among its members a Chairperson, and such other officers as it shall deem appropriate, and shall adopt such rules and regulations affecting its governance as may be deemed necessary.
- (c) Committee members shall serve without compensation.

Section Four: Definitions

- (a) For the purpose of this By-Law, a “Capital Improvement” is defined as:
- (1) any acquisition, disposition, lease, or transfer of and; or
 - (2) any acquisition, disposition, lease, or transfer of a motor vehicle; or
 - (3) any acquisition or lease of any single item of equipment, or group of similar or related items of equipment to be used for a common purpose, with a total cost of twenty thousand dollars (\$20,000) or more, and a substantial useful life as determined by the Committee; or
 - (4) any construction, reconstruction, replacement, extension, or other improvement of public buildings, highways, sidewalks, storm drains, sewerage installations, playgrounds, parks, or substantially similar public works, or for a facility, structure, or a utility appurtenant to any of the same, with a total costs of twenty thousand (\$20,000) dollars or more.
- (b) For the purpose of this By-Law, a “Capital Expenditure” is defined as any expenditure, financed in whole or in part by Town funds, for a Capital Improvement. However, this does not include Capital Improvements to be paid entirely with funds from departmental budgets.

Section Five: Duties of Committee; Submittals & Deliverables; Town Meetings

- (a) In making its determinations, the Committee shall consult with such officers of the Commonwealth of Massachusetts or of the Town and its various Boards, Commissions, or Committees, as in its discretion it shall deem appropriate and beneficial. The Committee may also consult with any other person, subject to the available funds in its budget, where it comes to hiring experts and expenses related to transportation or other logistics that may be associated with consulting persons outside of the government.
- (b) The Committee shall ascertain annually what Capital Expenditures will be required by the Town during the current fiscal year, plus the subsequent five (5) fiscal years. In addition, the Committee shall ascertain any potentially significant capital expenditures outside the scope of the aforementioned six (6) fiscal years. Department heads and chairpersons of all boards, commissions, and committees of the Town, whether elected or appointed, shall submit to the Committee, not later than February 15th of each year, recommendations and statements of needs and/or proposed plans involving capital expenditure requirements for the subsequent five (5) fiscal years and a Capital Improvement Worksheet for each capital project to be presented to Town Meeting within that current calendar year. The Town Administrator may act on behalf of any department head or chairperson.
- (c) In conjunction with the Finance Committee of the Town, the Committee, shall publish a report and shall include in such report its recommendations for the scheduling of capital expenditures including any advice for the scheduling or financing of such expenditures as in its judgment cannot or should not be paid for entirely from current revenues. The Committee shall assists the Town Meeting with regard to priorities of projects, financing

costs, impact of recommended projects to the operating budget, and other related matters, with any assistance from the Finance Committee of the Town that may be required.

- (d) No capital improvement shall be voted upon at any Town Meeting until it has been presented in written form to the Capital Improvement Committee for recommendation. As such, the Committee shall report to the Town Moderator at least two (2) weeks prior to any Town Meeting as to the overall status of all capital improvement articles requiring action by that Town Meeting. If, subsequent to said recommendation, a significant change is made to the scope of any capital improvement, as determined by the Committee, it shall be resubmitted to the Committee for reconsideration prior to Town Meeting action. Any capital request that has not been approved by Town Meeting within two (2) years of its original presentation to the Committee shall be presented to the Committee for reconsideration prior to re-submittal to any future Town Meeting.
- (e) The Committee shall compare all capital improvement proposals to the goals and policies of the most recent Comprehensive Plan for the Town as adopted by the Planning Board. The Committee shall report as to whether each proposed capital improvement is actionable, consistent, inconsistent, or not inconsistent, with said Comprehensive Plan as part of the Committee's evaluation process of Capital Improvement Worksheets and subsequent recommendations to Town Meeting.

²² Solar Energy System subject to the requirements of Section 3.15 herein. ”

AND BY ADDING the following new Section 3.15 Solar Energy Systems:

3.15 Solar Energy Systems – It is the purpose and intent of this Section 3.15 to provide for Solar Energy Systems by establishing standards for the placement, design, construction, operation, monitoring, modification and removal of such systems to address public safety, minimize impacts on scenic, natural and historic resources and to provide adequate financial assurance for the eventual decommissioning of certain such systems.

3.15.1 Small-Scale Solar Energy Systems as provided for in Section 2.3 Use Regulation Schedule of this By-Law may be installed as roof/building-mounted or as ground-mounted systems subject to the following development standards:

3.15.1.1 Capacity - Small-Scale Solar Energy Systems shall have a maximum rated nameplate capacity of less than 25 kW DC. For the purposes of this Section 3.15 the rated nameplate capacity shall mean the maximum rated output of electric power production of the solar energy system in Direct Current (DC).

3.15.1.2 Permit/Site Plan Requirements – A building permit shall be required for the installation of all small-scale roof/building-mounted and ground mounted systems. In addition to a building permit, Site Plan approval must also be received from the Planning Board for small-scale ground-mounted systems, however Site Plan approval is not required for small-scale roof/building-mounted systems.

3.15.1.3 Dimensional Requirements - Small-Scale Solar Energy Systems shall comply with all requirements of Section 2.5 Intensity of Use Standards of this bylaw except that there shall be no reduction in yard requirements as applies to certain accessory structures; except that the maximum height for a ground-mounted system shall be six (6') feet; and further, that such ground-mounted systems shall be included in the calculation of required Minimum Open Space.

3.15.1.4 Installation – Small-Scale Solar Energy Systems shall be permanently structurally mounted on either the ground or on a building.

3.15.2 Large-Scale Solar Energy Systems as provided for in Section 2.3 Use Regulation Schedule of this By-Law may be installed as roof/building-mounted or as ground-mounted systems subject to the following development standards:

3.15.2.1 Capacity - Large-Scale Solar Energy Systems are those systems that have a minimum rated nameplate capacity of at least 25 kW DC. For the purposes of this Section 3.15 the rated nameplate capacity shall mean the maximum rated output of electric power production of the solar energy system in Direct Current (DC).

3.15.2.2 Permit/Site Plan Requirements - A building permit shall be required for the installation of all large-scale roof/building-mounted and ground mounted systems. In addition to a building permit, Site Plan approval must also be received from the Planning Board for all large-scale roof/building-mounted and ground mounted systems.

3.15.2.3 Dimensional Requirements - Large-Scale Solar Energy Systems shall comply with all requirements of Section 2.5 Intensity of Use Standards of this bylaw, except that there shall be no reduction in yard requirements for a ground-mounted system as applies to certain accessory structures. Further, such ground-mounted systems shall be included in the calculation of required Minimum Open Space unless installed above paved off-street parking spaces sufficiently elevated so-as not to obstruct the use of and access to such parking spaces. The maximum height for a ground-mounted system shall be ten (10') feet, except that elevated installations over parking spaces shall have a maximum height of eighteen and one half (18.5') feet.

3.15.2.4 Installation - The system shall be permanently structurally mounted on the ground or on a building.

3.15.2.5 Operation & Maintenance Plan - The project proponent shall submit a plan for the operation and maintenance of the large-scale solar energy system, which shall include measures for maintaining safe access to the installation, stormwater controls, as well as general procedures for operational maintenance of the installation.

3.15.2.6 Utility Notification - No large-scale solar energy system shall be constructed until evidence has been given to the Planning Board that the utility company that operates the electrical grid where the system is to be located has been informed of the system owner's or operator's intent to install an interconnected customer-owned generator. Off-grid systems shall be exempt from this utility notification requirement.

3.15.2.7 Abandonment - Any large-scale solar energy system which has reached the end of its useful life or has been abandoned consistent with this Section 3.15.2.6 shall be removed. The owner or operator shall physically remove the system no more than 150 days after the date of discontinued operations. The owner or operator shall notify the Planning Board by certified mail of the proposed date of discontinued operations and plans for removal. For purposes of this Section 3.15.2.6 a large-scale solar energy system shall be considered abandoned

when, absent notice to the Planning Board of a proposed date of decommissioning or written notice of extenuating circumstances, it fails to operate for more than one year without the written consent of the Planning Board.

3.15.2.8 Decommissioning - The decommissioning of a large-scale solar energy system shall include the physical removal of all structures, photovoltaic panels, equipment, security barriers and transmission lines from the site; the disposal of all solid and hazardous waste in accordance with local, state, and federal waste disposal regulations; and, the stabilization or re-vegetation of the site as necessary to minimize erosion. The Planning Board may allow the owner or operator to leave landscaping or designated below-grade foundations in order to minimize erosion and disruption to vegetation.

3.15.2.9 Right of Entry - If the owner or operator of a large-scale solar energy system fails to remove the installation in accordance with the requirements of Sections 3.15.2.6 or 3.15.2.7 herein, the Town may enter the property and physically remove the system.

3.15.2.10 Financial Surety - Proponents of large-scale solar energy systems shall provide a form of surety, either through escrow account, bond or otherwise, to cover the cost of removal in the event the town must remove the system and remediate the landscape, in an amount and form determined to be reasonable by the Planning Board. The project proponent shall submit a fully inclusive estimate of the costs associated with removal, prepared by a qualified engineer. The amount shall include a mechanism for calculating increased removal costs due to inflation. Such surety will not be required for town-owned or state-owned facilities.

or take any other action in relation thereto.

(Planning Board)

ARTICLE 31: To see if the Town will vote to amend Article 18, "Capital Improvement Committee" of the General Bylaws of the Town by replacing the entire article with the following revised language:

ARTICLE 18 CAPITAL IMPROVEMENT COMMITTEE

Section One: Establishment of Committee

- (a) There shall be established a Capital Improvement Committee (hereinafter "Committee") which shall perform the duties set forth in the following sections of this By-Law and shall be governed by the provisions hereof.
- (b) The Committee shall consist of five (5) registered voters of the Town of Milford (hereinafter "Town"), none of whom is a Town employee or Town official (either elected or appointed), and shall be appointed as provided in Section Two. For purposes of this By-Law, no person shall be considered a Town official for serving as a Town Meeting Member or as a Constable or for performing any specific service authorized by Town Meeting.

Section Two: Term of Service; Selection of Members; Vacancies

- (a) Of the five (5) members of the Committee, two (2) shall be appointed by the Town Moderator and three (3) by the Board of Selectmen. Subject to the provisions below, members shall be appointed to terms of five (5) years.

- (b) Upon approval of the provisions of this By-Law, the two (2) most senior incumbent members of the Capital Planning Committee as previously in place, not otherwise in conflict with Section One (b) above, shall continue to serve. Such incumbents shall serve as appointees of the Moderator, one to have a term expiring on June 30, 1997 and the other on June 30, 1999, as the Moderator shall designate. If there are no such incumbents, the Moderator shall otherwise appoint or reappoint such eligible individuals to terms expiring as aforesaid.
- (c) The Board of Selectmen shall appoint three (3) members whose terms shall expire on June 30 of 1996, 1998, and 2000, and shall thereafter upon expiration of each term appoint or reappoint eligible individuals to five (5) year terms.
- (d) Whenever a vacancy occurs on the Committee, it shall be filled by the appointing authority that appointed the member whose position has become vacant. Any person appointed to fill a vacancy shall hold office for the unexpired term of the person succeeded.

Section Three: Committee Resources; Officers & Governance; Compensation

- (a) The Committee shall be allowed support staff and a budget suitable for staff compensation and general expenses, consistent with established Town policies for personnel and budgeting, subject to Town Meeting approval.
- (b) The Committee shall annually elect from among its members a Chairperson, and such other officers as it shall deem appropriate, and shall adopt such rules and regulations affecting its governance as may be deemed necessary.
- (c) Committee members shall serve without compensation.

Section Four: Definitions

- (a) For the purpose of this By-Law, a "Capital Improvement" is defined as:
 - (1) any acquisition, disposition, lease, or transfer of and; or
 - (2) any acquisition, disposition, lease, or transfer of a motor vehicle; or
 - (3) any acquisition or lease of any single item of equipment, or group of similar or related items of equipment to be used for a common purpose, with a total cost of twenty thousand dollars (\$20,000) or more, and a substantial useful life as determined by the Committee; or
 - (4) any construction, reconstruction, replacement, extension, or other improvement of public buildings, highways, sidewalks, storm drains, sewerage installations, playgrounds, parks, or substantially similar public works, or for a facility, structure, or a utility appurtenant to any of the same, with a total costs of twenty thousand (\$20,000) dollars or more.
- (b) For the purpose of this By-Law, a "Capital Expenditure" is defined as any expenditure, financed in whole or in part by Town funds, for a Capital Improvement. However, this does not include Capital Improvements to be paid entirely with funds from departmental budgets.

Section Five: Duties of Committee; Submittals & Deliverables; Town Meetings

- (a) In making its determinations, the Committee shall consult with such officers of the Commonwealth of Massachusetts or of the Town and its various Boards, Commissions, or Committees, as in its discretion it shall deem appropriate and beneficial. The Committee may also consult with any other person, subject to the available funds in its budget, where it comes to hiring experts and expenses related to transportation or other logistics that may be associated with consulting persons outside of the government.
- (b) The Committee shall ascertain annually what Capital Expenditures will be required by the Town during the current fiscal year, plus the subsequent five (5) fiscal years. In addition, the Committee shall ascertain any potentially significant capital expenditures outside the scope of the aforementioned six (6) fiscal years.

Department heads and chairpersons of all boards, commissions, and committees of the Town, whether elected or appointed, shall submit to the Committee, not later than February 15th of each year, recommendations and statements of needs and/or proposed plans involving capital expenditure requirements for the subsequent five (5) fiscal years and a Capital Improvement Worksheet for each capital project to be presented to Town Meeting within that current calendar year. The Town Administrator may act on behalf of any department head or chairperson.

- (c) In conjunction with the Finance Committee of the Town, the Committee, shall publish a report and shall include in such report its recommendations for the scheduling of capital expenditures including any advice for the scheduling or financing of such expenditures as in its judgment cannot or should not be \paid for entirely from current revenues. The Committee shall assists the Town Meeting with regard to priorities of projects, financing costs, impact of recommended projects to the operating budget, and other related matters, with any assistance from the Finance Committee of the Town that may be required.
- (d) No capital improvement shall be voted upon at any Town Meeting until it has been presented in written form to the Capital Improvement Committee for recommendation. As such, the Committee shall report to the Town Moderator at least two (2) weeks prior to any Town Meeting as to the overall status of all capital improvement articles requiring action by that Town Meeting. If, subsequent to said recommendation, a significant change is made to the scope of any capital improvement, as determined by the Committee, it shall be resubmitted to the Committee for reconsideration prior to Town Meeting action. Any capital request that has not been approved by Town Meeting within two (2) years of its original presentation to the Committee shall be presented to the Committee for reconsideration prior to re-submittal to any future Town Meeting.
- (e) The Committee shall compare all capital improvement proposals to the goals and policies of the most recent Comprehensive Plan for the Town as adopted by the Planning Board. The Committee shall report as to whether each proposed capital improvement is actionable, consistent, inconsistent, or not inconsistent, with said Comprehensive Plan as part of the Committee's evaluation process of Capital Improvement Worksheets and subsequent recommendations to Town Meeting.

or take any other action in relation thereto.

QUESTION 1: LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 1, 2012?

SUMMARY

This proposed law would prohibit any motor vehicle manufacturer, starting with model year 2015, from selling or leasing, either directly or through a dealer, a new motor vehicle without allowing the owner to have access to the same diagnostic and repair information made available to the manufacturer's dealers and in-state authorized repair facilities.

The manufacturer would have to allow the owner, or the owner's designated in-state independent repair facility (one not affiliated with a manufacturer or its authorized dealers), to obtain diagnostic and repair information electronically, on an hourly, daily, monthly, or yearly subscription basis, for no more than fair market value and on terms that do not unfairly favor dealers and authorized repair facilities.

The manufacturer would have to provide access to the information through a non-proprietary vehicle interface, using a standard applied in federal emissions-control regulations. Such information would have to include the same content, and be in the same form and accessible in the same manner, as is provided to the manufacturer's dealers and authorized repair facilities.

For vehicles manufactured from 2002 through model year 2014, the proposed law would require a manufacturer of motor vehicles sold in Massachusetts to make available for purchase, by vehicle owners and in-state independent repair facilities, the same diagnostic and repair information that the manufacturer makes available through an electronic system to its dealers and in-state authorized repair facilities. Manufacturers would have to make such information available in the same form and manner, and to the same extent, as they do for dealers and authorized repair facilities. The information would be available for purchase on an hourly, daily, monthly, or yearly subscription basis, for no more than fair market value and on terms that do not unfairly favor dealers and authorized repair facilities.

For vehicles manufactured from 2002 through model year 2014, the proposed law would also require manufacturers to make available for purchase, by vehicle owners and in-state independent repair facilities, all diagnostic repair tools, incorporating the same diagnostic, repair and wireless capabilities as those available to dealers and authorized repair facilities. Such tools would have to be made available for no more than fair market value and on terms that do not unfairly favor dealers and authorized repair facilities.

For all years covered by the proposed law, the required diagnostic and repair information would not include the information necessary to reset a vehicle immobilizer, an anti-theft device that prevents a vehicle from being started unless the correct key code is present. Such information would have to be made available to dealers, repair facilities, and owners through a separate, secure data release system.

The proposed law would not require a manufacturer to reveal a trade secret and would not interfere with any agreement made by a manufacturer, dealer, or authorized repair facility that is in force on the effective date of the proposed law. Starting January 1, 2013, the proposed law would prohibit any agreement that waives or limits a manufacturer's compliance with the proposed law.

Any violation of the proposed law would be treated as a violation of existing state consumer protection and unfair trade-practices laws.

A YES VOTE would enact the proposed law requiring motor vehicle manufacturers to allow vehicle owners and independent repair facilities in Massachusetts to have access to the same vehicle diagnostic and repair information made available to the manufacturers' Massachusetts dealers and authorized repair facilities.

A NO VOTE would make no change in existing laws.

QUESTION 2: LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 1, 2012?

SUMMARY

This proposed law would allow a physician licensed in Massachusetts to prescribe medication, at a terminally ill patient's request, to end that patient's life. To qualify, a patient would have to be an adult resident who (1) is medically determined to be mentally capable of making and communicating health care decisions; (2) has been diagnosed by attending and consulting physicians as having an incurable, irreversible disease that will, within reasonable medical judgment, cause death within six months; and (3) voluntarily expresses a wish to die and has made an informed decision. The proposed law states that the patient would ingest the medicine in order to cause death in a humane and dignified manner.

The proposed law would require the patient, directly or through a person familiar with the patient's manner of communicating, to orally communicate to a physician on two occasions, 15 days apart, the patient's request for the medication. At the time of the second request, the physician would have to offer the patient an opportunity to rescind the request. The patient would also have to sign a standard form, in the presence of two witnesses, one of whom is not a relative, a beneficiary of the patient's estate, or an owner, operator, or employee of a health care facility where the patient receives treatment or lives.

The proposed law would require the attending physician to: (1) determine if the patient is qualified; (2) inform the patient of his or her medical diagnosis and prognosis, the potential risks and probable result of ingesting the medication, and the feasible alternatives, including comfort care, hospice care and pain control; (3) refer the patient to a consulting physician for a diagnosis and prognosis regarding the patient's disease, and confirmation in writing that the patient is capable, acting voluntarily, and making an informed decision; (4) refer the patient for psychiatric or psychological consultation if the physician believes the patient may have a disorder causing impaired judgment; (5) recommend that the patient notify next of kin of the patient's intention; (6) recommend that the patient have another person present when the patient ingests the medicine and to not take it in a public place; (7) inform the patient that he or she may rescind the request at any time; (8) write the prescription when the requirements of the law are met, including verifying that the patient is making an informed decision; and (9) arrange for the medicine to be dispensed directly to the patient, or the patient's agent, but not by mail or

courier.

The proposed law would make it punishable by imprisonment and/or fines, for anyone to (1) coerce a patient to request medication, (2) forge a request, or (3) conceal a rescission of a request. The proposed law would not authorize ending a patient's life by lethal injection, active euthanasia, or mercy killing. The death certificate would list the underlying terminal disease as the cause of death.

Participation under the proposed law would be voluntary. An unwilling health care provider could prohibit or sanction another health care provider for participating while on the premises of, or while acting as an employee of or contractor for, the unwilling provider.

The proposed law states that no person would be civilly or criminally liable or subject to professional discipline for actions that comply with the law, including actions taken in good faith that substantially comply. It also states that it should not be interpreted to lower the applicable standard of care for any health care provider.

A person's decision to make or rescind a request could not be restricted by will or contract made on or after January 1, 2013, and could not be considered in issuing, or setting the rates for, insurance policies or annuities. Also, the proposed law would require the attending physician to report each case in which life-ending medication is dispensed to the state Department of Public Health. The Department would provide public access to statistical data compiled from the reports.

The proposed law states that if any of its parts was held invalid, the other parts would stay in effect.

A YES VOTE would enact the proposed law allowing a physician licensed in Massachusetts to prescribe medication, at the request of a terminally-ill patient meeting certain conditions, to end that person's life.

A NO VOTE would make no change in existing laws.

QUESTION 3: LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 1, 2012?

SUMMARY

This proposed law would eliminate state criminal and civil penalties for the medical use of marijuana by qualifying patients. To qualify, a patient must have been diagnosed with a debilitating medical condition, such as cancer, glaucoma, HIV-positive status or AIDS, hepatitis C, Crohn's disease, Parkinson's disease, ALS, or multiple sclerosis. The patient would also have to obtain a written certification, from a physician with whom the patient has a bona fide physician-patient relationship, that the patient has a specific debilitating medical condition and would likely obtain a net benefit from medical use of marijuana.

The proposed law would allow patients to possess up to a 60-day supply of marijuana for their personal medical use. The state Department of Public Health (DPH) would decide what amount would be a 60-day supply. A patient could designate a personal caregiver, at least 21 years old, who could assist with the patient's medical use of marijuana but would be prohibited from consuming that marijuana. Patients and caregivers would have to register with DPH by submitting the physician's certification.

The proposed law would allow for non-profit medical marijuana treatment centers to grow, process and provide marijuana to patients or their caregivers. A treatment center would have to apply for a DPH registration by (1) paying a fee to offset DPH's administrative costs; (2) identifying its location and one additional location, if any, where marijuana would be grown; and (3) submitting operating procedures, consistent with rules to be issued by DPH, including cultivation and storage of marijuana only in enclosed, locked facilities.

A treatment center's personnel would have to register with DPH before working or volunteering at the center, be at least 21 years old, and have no felony drug convictions. In 2013, there could be no more than 35 treatment centers, with at least one but not more than five centers in each county. In later years, DPH could modify the number of centers.

The proposed law would require DPH to issue a cultivation registration to a qualifying patient whose access to a treatment center is limited by financial hardship, physical inability to access reasonable transportation, or distance. This would allow the patient or caregiver to grow only enough plants, in a closed, locked facility, for a 60-day supply of marijuana for the patient's own use.

DPH could revoke any registration for a willful violation of the proposed law. Fraudulent use of a DPH registration could be punished by up to six months in a house of correction or a fine of up to \$500, and fraudulent use of a registration for the sale, distribution, or trafficking of marijuana for non-medical use for profit could be punished by up to five years in state prison or by two and one-half years in a house of correction.

The proposed law would (1) not give immunity under federal law or obstruct federal enforcement of federal law; (2) not supersede Massachusetts laws prohibiting possession, cultivation, or sale of marijuana for nonmedical purposes; (3) not allow the operation of a motor vehicle, boat, or aircraft while under the influence of marijuana; (4) not require any health insurer or government entity to reimburse for the costs of the medical use of marijuana; (5) not require any health care professional to authorize the medical use of marijuana; (6) not require any accommodation of the medical use of marijuana in any workplace, school bus or grounds, youth center, or correctional facility; and (7) not require any accommodation of smoking marijuana in any public place.

The proposed law would take effect January 1, 2013, and states that if any of its part were declared invalid, the other parts would stay in effect.

A YES VOTE would enact the proposed law eliminating state criminal and civil penalties related to the medical use of marijuana, allowing patients meeting certain conditions to obtain marijuana produced and distributed by new state-regulated centers or, in specific hardship cases, to grow marijuana for their own use.

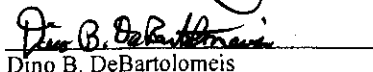

A NO VOTE would make no change in existing laws.

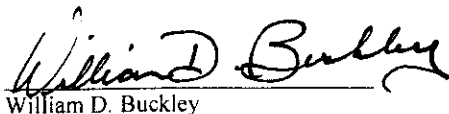

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said voting.

Given under our hands this 6th day of October, 2012.

The proposed law would require the attending physician to: (1) determine if the patient is qualified; (2) inform the patient of his or her medical diagnosis and prognosis, the potential risks and probable result of ingesting the medication, and the feasible alternatives, including comfort care, hospice care and pain control; (3) refer the patient to a consulting physician for a diagnosis and prognosis regarding the patient's disease, and confirmation in writing that the patient is capable, acting voluntarily, and making an informed decision; (4) refer the patient for psychiatric or psychological consultation if the physician believes the patient may have a disorder causing impaired judgment; (5) recommend that the patient notify next of kin of the patient's intention; (6) recommend that the patient have another person present when the patient ingests the medicine and to not take it in a public place; (7) inform the patient that he or she may rescind the request at any time; (8) write the prescription when the requirements of the law are met, including verifying that the patient is making an informed decision; and (9) arrange for the medicine to be dispensed directly to the patient, or the patient's agent, but not by mail or courier. The proposed law would make it punishable by imprisonment and/or fines, for anyone to (1) coerce a patient to request medication, (2) forge a request, or (3) conceal a rescission of a request. The proposed law would not authorize ending a patient's life by lethal injection, active euthanasia, or mercy killing. The death certificate would list the underlying terminal disease as the cause of death. Participation under the proposed law would be voluntary. An unwilling health care provider could prohibit or sanction another health care provider for participating while on the premises of, or while acting as an employee or contractor for, the unwilling provider. The proposed law states that no person would be civilly or criminally liable or subject to professional discipline for actions that comply with the law, including actions taken in good faith that substantially comply. It also states that it should not be interpreted to lower the applicable standard of care for any health care provider. A person's decision to make or rescind a request could not be restricted by will or contract made on or after January 1, 2013, and could not be considered in issuing, or setting the rates for, insurance policies or annuities. Also, the proposed law would require the attending physician to report each case in which life-ending medication is dispensed to the state Department of Public Health. The Department would provide public access to statistical data compiled from the reports. The proposed law states that if any of its parts was held invalid, the other parts would stay in effect.

QUESTION 3: Law Proposed by Initiative Petition

Medical Use of Marijuana

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 1, 2012?

SUMMARY

This proposed law would eliminate state criminal and civil penalties for the medical use of marijuana by qualifying patients. To qualify, a patient must have been diagnosed with a debilitating medical condition, such as cancer, glaucoma, HIV-positive status or AIDS, hepatitis C, Crohn's disease, Parkinson's disease, ALS, or multiple sclerosis. The patient would also have to obtain a written certification, from a physician with whom the patient has a bona fide physician-patient relationship, that the patient has a specific debilitating medical condition and would likely obtain a net benefit from medical use of marijuana. The proposed law would allow patients to possess up to a 60-day supply of marijuana for their personal medical use. The state Department of Public Health (DPH) would decide what amount would be a 60-day supply. A patient could designate a personal caregiver, at least 21 years old, who could assist with the patient's medical use of marijuana but would be prohibited from consuming that marijuana. Patients and caregivers would have to register with DPH by submitting the physician's certification. The proposed law would allow for non-profit medical marijuana treatment centers to grow, process and provide marijuana to patients or their caregivers. A treatment center would have to apply for a DPH registration by (1) paying a fee to offset DPH's administrative costs; (2) identifying its location and one additional location, if any, where marijuana would be grown; and (3) submitting operating procedures, consistent with rules to be issued by DPH, including cultivation and storage of marijuana only in enclosed, locked facilities. A treatment center's personnel would have to register with DPH before working or volunteering at the center, be at least 21 years old, and have no felony drug convictions. In 2013, there could be no more than 35 treatment centers, with at least one but not more than five centers in each county. In later years, DPH could modify the number of centers. The proposed law would require DPH to issue a cultivation registration to a qualifying patient whose access to a treatment center is limited by financial hardship, physical inability to access reasonable transportation, or distance. This would allow the patient or caregiver to grow only enough plants, in a closed, locked facility, for a 60-day supply of marijuana for the patient's own use. DPH could revoke any registration for a willful violation of the proposed law. Fraudulent use of a DPH registration could be punished by up to six months in a house of correction or a fine of up to \$500, and fraudulent use of a registration for the sale, distribution, or trafficking of marijuana for non-medical use for profit could be punished by up to five years in state prison or by two and one-half years in a house of correction. The proposed law would (1) not give immunity under federal law or obstruct federal enforcement of federal law; (2) not supersede Massachusetts laws prohibiting possession, cultivation, or sale of marijuana for nonmedical purposes; (3) not allow the operation of a motor vehicle, boat, or aircraft while under the influence of marijuana; (4) not require any health insurer or government entity to reimburse for the costs of the medical use of marijuana; (5) not require any health care professional to authorize the medical use of marijuana; (6) not require any accommodation of the medical use of marijuana in any workplace, school bus or grounds, youth center, or correctional facility; and (7) not require any accommodation of smoking marijuana in any public place. The proposed law would take effect January 1, 2013, and states that if any of its part were declared invalid; the other parts would stay in effect.

REPORT OF THE TOWN TREASURER

INTRODUCTION

The annual report of the Town Treasurer is hereby submitted for the fiscal year commencing July 1, 2011 through June 30, 2012.

The Treasurer's Office is located in Suite #18 of the Town Hall. The office is open Monday through Friday from 8:30 a.m. to 5:00 p.m. The Treasurer is responsible for recording cash receipts and cash disbursements, payroll and related deductions, short-term and long-term debt, and tax lien management. Accordingly, this report illustrates the status of the major responsibilities of the Treasurer, detailing the operating results at the close of the fiscal year.

The Treasurer's Office would like to thank the staff, Town officials and citizens for their cooperation during the past year and we look forward to continuing our service to the community.

CASH

The investment policy of the Treasurer contains three guiding principals: first and foremost is safety of principal; second is liquidity for meeting daily cash requirements; and the final is return on investment. In the course of the Town conducting business, the Treasurer receives and distributes approximately \$99,000,000 annually, with \$14,000,000 on hand to meet immediate distribution needs.

The Town's cash accounts are categorized as "Unrestricted Cash" or "Invested Cash". Unrestricted Cash represents on hand funds in interest bearing checking or saving accounts, requiring no minimum balances. Invested Cash may or may not be liquid funds, depending on the type of investment. Investments command a higher rate of interest and some require minimum balances.

Reported on the following page is the Change in Cash Balance from Operations, which indicates the source of cash received and disbursed during the fiscal year. Also included is the Cash Balance by Institution, which details cash funds available at each financial institution. During 2012, interests rates remain low, however rates in many of the Town's investments were secure.

STABILIZATION FUND

The Town of Milford has taken steps to protect its financial position through the establishment of a stabilization fund. The Town utilizes stabilization to normalize long-term debt expenditures and for major capital appropriations. Stabilization is viewed as a credit positive, and has yielded the Town desirable borrowing rates. Appropriation requires a two-thirds vote of members present at a Town Meeting.

TRUST FUNDS

For accounting purposes, trusts are divided into two major types: Non-Expendable and Expendable. Differentiating between a Non-Expendable and an Expendable trust is the wish and intent of the donor. A non-expendable trust requires the principal remain intact, with only the interest income expended for the specified purpose. Contrary, an expendable trust allows the commingling of principal and interest and the ability to spend both without restriction, until exhausted. The Town opts to maintain other trust funds for specified purposes, namely, health insurance, self-insurance programs, and student activities.

TAX TITLE

When real estate taxes remain unpaid for an appreciable length of time, the Tax Collector has the authority, under the law, to place a registered lien on the property in default and transfer the unpaid balance to the Treasurer's books. This tax lien prevents the owner from selling or transferring the property without first satisfying the debt to the Town. The Treasurer then assumes the responsibility of collecting all amounts due, or commences foreclosure proceedings.

3. Detail of Authorized and Unissued Long Term Debt as of June 30, 2012

Under Massachusetts General Laws, a Town must authorize debt at a Town Meeting. Although authorization does not mean debt has to be issued at that time, it does require a memorandum to the financial statements until such time the debt is issued or rescinded.

Town Meeting	Art	Purpose	Balance 1-Jul	Additions	Issued / Rescinded	Balance 30-Jun
10/24/2011	24	Geriatric Authority 24 Bed	0	6,200,000	0	6,200,000
TOTAL:			\$ -	\$ 6,200,000	\$ -	\$ 6,200,000

4. Legal Debt Limit

Under Section 10 of Chapter 44 of the Massachusetts General Laws, a Town may authorize indebtedness up to a limit of five percent of the equalized valuation of the Town. Debt issued in accordance with this section of the law is designated as being "inside the debt limit". The Town has \$24,414,000 of debt inside the limit as of June 30. In addition, the Town is carrying \$11,528,938 of debt outside the limit for eligible purposes as specified under Section 8 of Chapter 44. The Town of Milford's debt position remains favorable, with a debt ratio of 0.8% , with payoff of debt at 61.5% over the next ten years. All debt appropriations are within proposition 2 ½.

Respectfully submitted,
