ATTENTION CONTRACTORS WORKING IN OR NEAR ROADS/SIDEWALKS:

Pursuant to G.L. c. 40 s. 22 and the By-Laws of the Town of Milford, the Board of Selectmen has established the following Traffic Rules and Orders:

Article 2, Section 4 states in part:
"Except as authorized by law or by-law of the Town, no person shall place, stand, or park a motor vehicle, trailer, construction equipment , other equipment or other vehicle of any kind, nor shall they place goods or materials of any kind, upon a street or highway, to include the travel way, parking lanes, sidewalk, or other public appurtenances thereto, (1) with the intent to open said street or highway or perform work or services upon, under, above, into or adjacent to said street or highway or (2) in such a manner or condition that the movement of vehicles or pedestrians upon or within said street or highway is blocked or impeded."

"Consistent with the by-laws of the Town, in the event any closure of a street or highway, or any portion thereof, for the placement of emergency vehicles, as defined herein, the Chief of Police will determine appropriate traffic control measures to include the erecting temporary signs, cones, lights, detours, the use of a police officer, or the use of a police officer in the capacity as a private detail, a road flagger or other measures. It shall be the responsibility of the Chief of Police to review, and where he concurs to approve, all Construction Zone Safety Plans within the Town of Milford."
