Dog Licenses:

Dog licenses are issued at the Town Clerk's Office. Our licensing period runs from April 1st - June 30th each year. If you return the insert portion in the Annual Street Listing to register your dog, we will hold the form until April 1st to do so. Please make sure to send a valid rabies certificate to our office either by mail or email to MLaughlin@townofmilford.com. If you have a new puppy/dog, please register the puppy/dog after it receives its rabies vaccination (you will need to provide our office a copy of that rabies certificate). Copies of spay/neutering certificates will also be required for all new puppies/dogs if applicable. Those pet owners who are renewing their dog licenses from the previous year will only need to present us a spay/neutering certificate if the surgery for spay/neutering was done after you have registered your dog in 2023. We will also need a new/valid rabies certificate if it has expired. If you are unsure, you can always call our office to verify what documentation may be needed. If you no longer have a dog at your residence, you can call or email the office so we can remove you from our dog list.

Please email us a photo of your pup and enter the Top Dog contest. You can win a free 2025 License and gift basket.
