May 2023

What's Happening Now at the Town Clerk's Office:

Dog Licenses:

Dog licenses for 2023 are now being issued at the Town Clerk's Office. All dog owners are required by law to license their dogs.

If you have a new puppy/dog, please register the puppy/dog after it receives its rabies vaccination (you will need to provide our office a copy of the rabies certificate). Copies of spay/neutering certificates will also be required for all new puppies/dogs if applicable. Any current dogs renewing licenses for 2023 will only need to provide new/valid rabies certificate if it has expired since 2022. You can provide a copy of the spay/neutering certificate and the valid rabies certificate to our office at the address or email above. If you are unsure, you can always call our office to verify what documentation may be needed.

Our licensing period runs from April 1st - June 30th each year. All dogs registered after June 30th are subject to an additional \$10.00 late fee.

Neutered and spayed dogs are \$6.00 per dog

Male and female dogs are \$25.00 per dog
